A Christian missionary in India spoke near a fountain on the topic: "Jesus is the Water of Life." A Muslim interrupted him: "Your religion is like this small stream, but Islam is like a great ocean!" "Yes," said the Christian missionary, "but there is this difference: when men drink ocean water they die of thirst. When they drink the Water of Life that Jesus Christ gives, they live forever!" The stream may be small, but it can quench your thirst!

The Lord Jesus Christ came into the world as a baby so that He could show us that no person is small or insignificant, for the sole purpose of Jesus Christ's birth as the "Living Word" was to redeem us back to GOD our Father and that He will dwell within us when we simply and wholeheartedly place our faith and trust in Him!

THE FIVE PILLARS OF THE ISLAM FAITH

In a country where the pure Islamic faith is present, you will find that it dominates the legal system through the so-called “Sharia Law”. The term means “way” or “path to the water source”. Sharia is the legal framework for everything that happens in a Muslim society. It offers strict guidelines for politics, economics, family, banking, sexuality, hygiene and social issues. Under Sharia Law women are treated as second-class citizens with little or no say. The Islamic worldview is based on the support of the five pillars of Islam. For a Muslim, God has not provided a Savior; for them there is no blood shed on Calvary. In their view, they work hard every day to perhaps earn the opportunity for eternal life and God's favor.

- The first pillar is Shahadah. It means professing the oneness of Allah and accepting Prophet Muhammad as his messenger to humanity. As a profession of faith, they would say, in Arabic, “I testify that there is only one god Allah and that Muhammad (peace be upon him) is his messenger.”
- The second pillar of Islam is Salat. This requires a Muslim to pray five times a day at specific times.
- The third pillar is Zakat. This is the alms required of all those who are capable of it.

- Sawm, the fourth pillar, is the ritual fasting during the ninth month of the Islamic year, the season of Ramadan. During this month Muslims must abstain from food, drink and sexual intercourse from dawn to dusk. They must also pay special attention to other sins.
- The last pillar is the Haji. The Haji is a pilgrimage that takes place during the Islamic month of Dhu al-Hijjah to the holy city of Mecca. Every able-bodied Muslim is obliged to make the pilgrimage to Mecca at least once in his life if he can afford it.

We do not have to worry about the five pillars of the Islamic religion in an attempt to please Almighty God; it has already been done for us, in Jesus Christ. Remember today, child of God, that only in Christ is the great, amazing grace of God found. We do not have to wear the chains of guilt and shame as we work to please God. We are freed from our chains by His love, mercy and great grace so that God, working in us, may bring glory to Himself, Amen! Islam is the second most widespread religion in the world, only after Christianity. It boasts 1.5 billion adherents, while Christianity, the world's largest religion,

boasts 2.1 billion followers. Islam is prevalent in the northern half of Africa, the Middle East, and to a lesser extent in India and Russia. Jerry Rassamni, a former Muslim extremist who converted to Christ, wrote the book "From Jihad to Jesus". He writes: "In Islam, the world is traditionally divided into two camps. Those who belong to 'Dar Al Islam' (literally house of Islam or submission), meaning House of Peace, and those who belong to 'Dar Al Harb' (House of War)." Countries that are under Muslim rule are grouped in the House of Peace, while countries that are not are grouped in the House of War. Muslim fundamentalists have Islamic world domination in mind and will wage a "jihad" until the entire world confesses to the Islamic creed depicted on the Saudi flag. The Wahhabis are the dominant Islamic sect in Saudi Arabia. **Their war cry is: "*kill the infidels*".** The national flag of Saudi Arabia, the religious center of Islam, has the words "*La Illaha Illa Allah*" (*There is no god for Allah*). Behind those words is the key to making this happen: a [representation of a] sword."

ISLAM AND ITS FOUNDER
MUHAMMAD IBN ABDULLAH

First and foremost, I apologize to anyone who may be offended by the story of the founder of Islam, their prophet Muhammad Ibne Abdullah aka (Mohammed, aka Mahomet) in the writing of this book, and I am aware of the sensitivity involved. However, the harm done to the “believers” of Islam around the world by the history of Islam hiding from them the truth about its founder – and by the circumstances surrounding its inception – is infinitely greater than any “harm” that this true story contained in this book may cause. Muhammad posed as a false prophet and apostle of "Allah" (the name of their Muslim god). Yet his life is full of lust (12 marriages and sexual relations with underage children, slaves and concubines), rapes, wars, conquests and merciless bloody massacres. The infinitely good, just, and all-holy God simply cannot tolerate anything the least bit unjust or sinful. What Muhammad produced in the Quran is simply a book of gibberish composed of successive evil verses that abrogate (replace) previous peaceful verses. These verses written in Arabic poetically "tickle" the ears of Arab listeners. Islam is a caustic mixture of paganism and distorted stories from the Holy Bible. Muhammad, Islam’s solitary "prophet", who made no true prophecies, conceived his religion to satiate his lust for power, sex and money.

He was a bloodthirsty terrorist. And if you think these conclusions are shocking, wait until you see evidence in this book provided primarily by Islamic historians. 70% of what is written comes from Muslim and ex-Muslim historians, dating back to the 8th century. The main intent of this book is to warn Christians and other people who may be "tricked" into accepting or converting to Islam because they were not aware of all the facts. This is a matter of grave concern. If you reject the Lord Jesus Christ and the salvation He has made possible – and follow Islam, your entire salvation (where you will spend eternity) is at stake. Islam can deceive you. It can deceive the very elite. He rejects the message of salvation that Jesus made possible for all humanity. Islam spreads lies that the Jewish Messiah, Lord Jesus Christ of Nazareth, and the King of the Jews never even died on a cross. This alone makes it a blasphemous demonic religion. This book was also written to tell the truth, the whole truth and nothing but the truth; to show and reveal a truth that Muslims are never allowed to see. Of all the holy books in the world, such as the "Torah", the "Holy Bible and the "Dead Sea Scrolls", Satan has taken pains to ensure that Muhammad and his Koran are found with and in diametrically opposed defiance of the Lord Jesus Christ, the Son of God, the true

Prince of Peace - and His gospel message in the New Testament to all mankind. The truth is that the wicked Allah, the god of Muslims and Islam, is a god who actually creates and inspires sin. This is confirmed in their Muslim Quran: that Allah created and inspires sin. **The ALMIGHTY GOD, He is the true God of all flesh; the God of Abraham, Jacob (Israel) and Isaac found in the Holy Bible came down from heaven to earth as man to save us from our sins is the Most Holy God who cannot sin Himself nor bear to be in the presence of sin.** Islam says that if you believe that God came to earth as a man, as Jesus Christ did to pay the price for our sins, then you will go to Hell! From a doctrinal perspective, wouldn't the creator of sin be an ungodly sinner himself? The immortal souls of billions of individuals are involved here. To all Muslims I say; "I sympathize with the fact that you had to grow up in a closed society, where not embracing Islam would have led to you being shunned or even killed." According to many interpretations of the Koran (aka Quran), conversion to a faith other than Islam is punishable by death. Like the bondage of Satan, Islam maintains a suffocating grip on its followers. This sad situation is what most Muslims are born into should elicit compassion, not contempt, from the followers of the Lord Jesus Christ.

Jesus Himself warned us in the New Testament of the Holy Bible, saying that a true prophet would not appear in the last days. Rather to the contrary, He said that many false prophets would arise who would deceive, if possible, the very elect, and that a male or female person must be a born-again Christian to be saved! Holy Bible references regarding salvation can be found in John 14:6; Acts 4:12 and 26:28; 1 Peter 4:16. One cannot be a born again Christian without verbally confessing the divinity of the Lord Jesus Christ Christ. You cannot even pray to God, let alone have the remission of your sins from Him, without drawing near to Him through Jesus (John 14:6 & 13, 15:16; 16:23-24; Romans 5:2 and Ephesians 2 :18). I know Muslims and Mormons, Christian Scientists and Seventh-day Adventists will not want to hear this, but the Holy Bible declares that the Messiah, the King of Israel, the Lord Jesus Christ was the FINAL revelation of God to man. There have never been any others nor will there ever be any others! **You can always know a false god and a false prophet. False Gods and false prophets always demand the blood of the innocent!** Whenever the innocent and righteous are killed, there you will find the "Moloch the god Ba'al" always disguised under the evil satanic cloak of his! Because the Muslim god called Allah is none other than the god

of evil revenge and death! **Islam is the evil religion of anger and hatred and lies!** It is an anti-freedom system, which seeks to ultimately control the entire world. Furthermore, only a demon or fallen angel would exist for his followers to wage endless war against pagan unbelievers, as this impersonal "god" Allah does! One in fifty-five verses of the Quran incites Muslims to wage war on non-Muslims, especially peace-loving Christians or Jews. The Quran is truly a satanic blueprint for the evil art of deception, double dealing, lying, cheating, and betrayal! In fact, did you also know that the word "LOVE" is conspicuously missing from the Muslim Quran; I wonder why when Muslims boast, brag and claim before the whole world that they are a religion of peace? Islam is in stark contrast to Christianity in all its major dogmas! The god of the Muslims reveals himself as an evil and bloodthirsty tyrant who demands that Muslims and everyone else submit to him. While in the New Testament, Jesus, the Messiah and King of Israel, revealed Himself to Christians as the One and Only True God who is a loving Father, Who wants us to come to Him through our free will. In the Old Testament (Exodus 34:6) the true God revealed Himself to be *"merciful and gracious, long-suffering, and abundant in goodness and truth."* He is the Master Creator and King

of the Universe, the God of Love and the Lord of Life. The God of Israel is this true God. He who insists: "Do not kill the innocent and the righteous!" When a Muslim declares that Islam is a religion of peace, he either ignores the Koran, or deceptively thinks of this "peace", since it extends only to those who are part of the Muslim community. The catch is that they won't tell you exactly what they mean. According to the Quran: "Muhammad is the Apostle of Allah. Those who follow him are merciful to one another, but merciless to the disbelievers" Surah 48:29. "Kill the Mushrikin (disbelievers) wherever you find them, capture them, besiege them and put them in ambush in every ambush..." Surah 9:5. See also Surah 9:29: PICKTHALL: "Fight against those who have been given the Scripture (Christians and Jews) who do not believe in Allah and the Last Day, and do not forbid what Allah has forbidden from His Messenger, and do not they follow the Religion of Truth, until they pay the tribute promptly, being lowered." Surah 47:4 says: *Fa'idhā Laqītumu Al-Ladhīna Kafarū Fadarba Ar-Riqābi Ĥattaá 'Idhā 'Athkhantumūhum Fashuddū Al-Wathāqa Fa'immā Mannāan Ba`du Wa 'Immā Fidā'an Ĥattaá Tada'a AlĤarbu 'Awzārahā Dhālika Wa Law Yashā'u Allāhu Lāntaşara Minhum Wa Lakin Liyabluwa Ba`dakum Biba`din Wa*

Al-Ladhīna Qutilū Fī Sabīli Allāhi Falan Yudilla 'A'malahum.

Which translated means: **Therefore, WHEN YOU MEET UNBELIEVERS, AIM AT THEIR NECKS;** At last, when you have completely subdued them, fasten a bond (on them) firmly: from then on (it is time) either of generosity or of redemption: until war lays down its burdens. Thus (you are commanded): But if it had been the Will of Allah, he could certainly have exacted punishment from them (Himself); but (he lets you fight) to test yourselves, one with another. But those who are killed in the Way of Allah, he will never allow their deeds to be lost. Many translators of the Quran have tried to soften the meaning of their translation by adding the words “at war” in parentheses after the word “Disbelievers,” but they are NOT present in the original Arabic text. Then there is this one that Muhammad produced to mislead those Muslims who knew in their hearts that killing innocent people is wrong: ***"Fighting is mandatory for you, no matter how much you don't like it."*** (Surah 2:216) Islam teaches that both Jews and Christians have earned the wrath of Allah by not following Islam, and that they have also lost their way by following the teachings of the Torah for Jews, or the Holy Bible for Christians. Furthermore, this god Allah (with a small g) lies about Jesus. Islam

says that Jesus is not only not the Son of God, but that He did not even die on the cross in Jerusalem. It is therefore proven that Allah is a false pagan god... Even the Jews do not believe in this regard to Jesus (Yeshua). Who will believe it? The greatest of all kings. Born in the humblest of places...God, born in the flesh! The apostle Paul tells us that the Jews have been supernaturally blinded by God to this. Yet Christians and Jews worship the same God (Yahweh) and share the same Holy Bible. About 578 years before the advent of Islam, Christians were warned against Islam by both Jesus and the apostle Paul. Jesus warned us about the many false prophets who would follow Christ (Matthew 16:11-12). The apostle Paul warned us when he wrote: "But even if we (or an angel from heaven) preach a gospel contrary to what we have preached to you, let him be condemned to hell!" (Galatians 1:8). Since the message of Islam differs fundamentally from the Gospel, it is clear what Paul taught regarding the fate of Muhammad and those who propagate Islam. Islam bypasses the sacrificial mediation work that Jesus Christ performed for believers on the cross, thus denying forgiveness of sins. This condemns unbelievers to die in their sins. Jesus said; ***"I said therefore unto you, that ye shall die in your sins; for if ye believe not that I am he, die in***

your sins." (John 8:24) Jesus also predicted the current dilemma of Muslim intolerance and fanaticism. He warned that the day would also come when religious fanatics will kill Christians thinking they are offering a service to God (John 16:2-4). Dear Christians and Muslims, the Lord Jesus Christ is committed to winning the spiritual holy war. He wants no one to suffer a Godless eternity, confined to a Godless place. Know this, that God Himself is calling those kind-hearted Muslims! Jesus (Isa) himself appears to many. A few years ago, "Al-Jazeera" television media reported that about six million Muslims are abandoning Islam and becoming followers of Jesus Christ every year in Africa. In 2005 approximately 250,000 Muslims converted to Christianity in Iran. Now in the 21st century Iran wants to totally destroy the nation of Israel by funding and supplying weapons for 'Hamas' the fundamentalist terrorists, whose sole objective is to kill all Jews! Between 2003 and 2005, approximately 1 million Muslims converted to Christianity in Arab countries. Muslims are also drawing closer to Christ in North America, although not to the same extent as in Muslim countries. Tens of millions of people embrace Jesus Christ every few years in India and China. Chinese missionaries are now preparing to bring the Gospel of Jesus Christ to the dark places of

Muslims. The Muslim Quran (Quran) and Muslim Hadiths are unique among all the sacred writings of the entire world, because they alone advise its followers to wage war on non-believers. Any attentive reader will be forced to, they admit that evil literally "drips" from their pages. One verse out of 55 of the Muslim Quran consists of this false god Allah insisting that Muslims wage war unbelievers! The Quran is a meaningless made-up book of evil verses that abrogates (replaces) peaceful verses. The Quran cannot be trusted because it contains numerous "divinely inspired" contradictions. If God has a history of abrogating (changing) His revelations as occurs in the Quran, then how can we be sure that He will not abrogate it again in the future? If Allah can abrogate the eternal discourse of the One True God, then how can you trust Allah with your eternal soul?

**WHO IS THE LORD JESUS CHRIST
TO A MUSLIM?**

For Muslims, Lord Jesus Christ is simply one of Allah's many prophets (Surah: 4:171; 5:74). According to Islam, the prophet Muhammad replaces Jesus Christ. Muhammad, however, is only mentioned four times in the Quran, yet Jesus Christ is mentioned 78 times! Islam states that Jesus Christ is not the Son of God nor part of any Trinity (Surah 5:17; 5:116; 19:35). Islam tells us that Jesus was the Messiah (Surah 3:45; 4:157; 171), but nothing more than a slave to whom God showed favour (Surah 43:59); however elsewhere in the Quran we are told that the Messiah is not a slave (Surah 4:172). The Quran tells us that Jesus Christ did not atone for anyone's sins, although he Himself was sinless (Surah 3:46) and is one of those who are close to God (Surah 3:45). Positively, the Quran says that Jesus Christ performed miracles (Surah 3:49; 5:110) and was the Messiah. The Quran says that Jesus did not die on the cross. Various Muslim traditions claim that Jesus miraculously replaced Judas Iscariot Himself on the cross, or that God miraculously delivered Him from the hands of the Romans and Jews before He could be crucified. Most Muslims believe that Jesus Christ was taken bodily to heaven without dying (Surah 4:157). However, Surah 19:33 says that he died and would be resurrected. Muhammad instead died in the home of his wife

Aisha, not long after being poisoned by a slave girl. Muhammad's body was lowered into a hole in Medina and his corpse was covered with earth and bricks. It is interesting to compare Jesus and Muhammad according to the Quran. Jesus performed miracles (Surah 3:49; 5:110), but Muhammad did not (Surah 13:8): "you are only a warning [of impending divine judgment]"; also 6:37; 6:109; 17:59 and 17:90-93). Jesus was sinless (Surah 3:46), but Muhammad sinned and needed forgiveness (Surah 40:55: "Ask for forgiveness of your sins"; 42:5: "Ask for forgiveness for those on Earth"; 47: 19: "Ask for forgiveness of your sins"; 48:2: "so that Allah may forgive you of your sins"). Jesus was called "the Messiah" by Allah in the Quran. And Jesus was even born a virgin (Surah 3:45-57)! Yet Muhammad, who had 12 wives, 2 concubines and participated in numerous attacks on innocent caravans and villages, and insisted that 20% of all the spoils from these raids should be the greatest of the prophets. Both Muslim holy books (Quran/Koran and Hadith) contain commands for Muslims to subjugate the world, militarily. Muhammad commanded Muslims to spread Islam through offensive Jihad; or conquest of non-Muslim lands. Muslims are also commanded to take back any land that was previously Muslim, such as Israel! Radical Muslims believe they are

Mujahideen, or "holy warriors of Allah." Their ultimate goal, like that of Islam, is to transform the entire world into a pure Islamic state (a Khalifah), compliant with Islamic laws. Radical Islam may be Satan's final effort to conquer the entire world and subject it to his evil satanic will. An example of what Muslim children are taught in Muslim schools is this statement, found in a Jordanian/Palestinian schoolbook in 1998: "This religion (Islam) will destroy all other religions through Islamic Jihad fighters."

The Quran itself calls the Gospel of Jesus “Guide and Light”

The greatest threat to Islam is undoubtedly the teachings of the true "Prophet of Peace", the Lord Jesus Christ. Islamic leaders resort to extraordinary means to hide the Gospel of Jesus Christ and the letters of the Apostle Paul from Muslims. The fact that Muslims do not read and study the New Testament / the Gospel of Jesus Christ is yet another contradiction in Islam! Just as Satan cries before a crucifix during an exorcism, the member of the Islamic cult normally cries at the sight of the Christian Bible.

- **A false prophet is always recognized, because he always attacks the true prophet!**
- **A false Bible like the Quran can be recognized because it contradicts the true Holy Bible!**

Islam takes it a step further. First, Islam seeks to gain acceptance by attesting to the truth and validity of both Christian and Jewish holy books. But then Muhammed clearly steps out of the light, exposing himself to his diabolical agenda, contradicting and falsifying the facts and teachings in both of these books. Furthermore, you question the “dark side” of an evil religion like Islam that requires you to only recite salah and prayers like Namaz, in a language (Arabic) that you do not understand. All Muslims, Arabs and non-Arabs, are obliged to pray in Arabic. Even if you don't understand a single word! Muslims are also required to read the Quran in Arabic, to obtain any grace from Allah. It is not necessary for the person to understand even a word of what he is reading! This is what the warning that Jesus Christ left us means, when he said; "so much so that, if it were possible, they would deceive even the elect." Most Muslims recite repetitive prayers in a language (Arabic) that they do not understand. The obligatory recital -

The Shahadah: *Ash hadu ala ilah ha ilahlah wa ash hadu anna Muhammadah Rasullulah*. Translated, it says; "I testify that there is no god but Allah and I testify that Muhammad is the messenger of Allah." You cannot just recite "I testify that there is no god but Allah" and not include "Muhammad is the prophet of Allah." This is forbidden or "haram". You have to recite "Muhammad is the Prophet of Allah". Islam states that Allah is the same God revealed in the Holy Bible. . . . then if the Holy Bible and the Quran have different views of God, then the claim of Islam is false! Don't forget that Muhammad states in Surahs 2:87, 29:46, 32:23, 5:44, 6:154, 6:155 that Allah has confirmed the Torah (Taurat) and the Christian Gospel (Injeel) (Surah 2: 87, 5:46, 5:68, 29:46 and 43:63). So, if the Torah and the Gospel are correct, all the errors in the Quran shown and described in this book make the Quran false! Islam and Christianity have always been diametrically opposed: a principle of Islam is that both Muhammad and Jesus of Nazareth were both Muslims. Islam says that both were prophets sent by Allah. If this were true, then it is obligatory that these two great prophets coincide exactly in all points and never contradict each other. Wasn't it the same Allah sent them both? So, isn't even the smallest of contradictions between the two a big red flag? And there

are a lot of them, which you will see below. Christianity and Islam are necessarily forever diametrically opposed to each other, just as evil and good are. Oral confession of the divinity of Jesus Christ is a prerequisite for becoming a Christian: ***"That if you confess with your mouth the Lord Jesus, and believe in your heart that God raised Him from the dead, you will be saved. For with the heart man believes righteousness, and with the mouth confession is made salvation."***

(Romans 10:9-10)

For a Muslim this is blasphemy. For a Christian it is blasphemy NOT to attribute divinity to Jesus Christ! The New Testament could not be clearer on this matter. The heart, core and soul of Christianity is faithfulness to Jesus Christ as God, Lord and Saviour! If Jesus Christ were what the Muslim Koran presents him as, then Christianity would be blasphemous and unfounded. Surah 5:68 - Says: "O people of the Book! You have nothing earthly to stand on unless you hold fast to the Law (Torah), the Gospel (Injeel) and all the revelation thereof come to you from your Gentleman." Surah 29:46 Muslims are told by Allah not to question the authority of the Scriptures of Christians, saying: "And do not argue with the People of the Book, but say: 'We believe in the

revelation that has come to us and in what has come to you; Our Allah and your Allah is one. Islam says Jesus did not die. So, once again Islam has been proven false; because Muhammad himself stated that the Gospel is true, and all 4 Gospels (Injil) testify that Jesus Christ died and rose from the dead. God has a begotten Son (not created, but one with the Father), which Islam denies. The Jewish Torah/Taurat (Tawrat) clearly indicated this over 1000 years before Muhammad and Islam. Furthermore, there are collateral sources from the first century that testify that Jesus was put to death. In the "Annals" written by the Roman historian Tacitus, in Book XV, chapter 44 we read "Christ, founder of the name, was put to death by Pontius Pilate, procurator of Judea under the reign of Tiberius". The Roman historian Josephus also wrote about the death and resurrection of Jesus Christ of Nazareth. Even Satan says that Jesus Christ died on the cross! In addition, the Roman historian Suetonius wrote in his work "Life of Emperor Claudius" the following about Christians: "and they deny the gods of Greece, they worship the crucified sage and live according to the laws of him." The Roman historian Pliny wrote about Jesus' death in Book X of his epistles. Julius Africanus, quoting Thallus, another Roman historian, who wrote around 52 AD. about the miracles that occurred

on the day the Son of God was killed. He wrote: "A fearful darkness lay upon the whole earth; and the rocks were torn by an earthquake, and many places in Judea and other regions were laid waste." **Like Muhammad, Satan also trembles with fear at the sight of the cross!**

Proverbs 30:4 (700 B.C.): *"Who has ascended into heaven or descended? Who has gathered the wind into his fists? Who has bound the waters in a garment? Who has established all the boundaries of the Earth? What is His name and what is His son's name, if you can tell?"* (Psalm 2:11-12) *"Serve the Lord with fear, and rejoice with trembling. Kiss the Son, lest He be angry, and ye perish in the way, when His wrath shall be kindled but for a little while. Blessed are all those that rest their trust in Him!"*

Even after Allah confirmed the Torah and the Gospel, the Islamic Mullahs and Imams tried to sell the lie that the Christian Gospels and the Jewish Torah were corrupted. This is a complete lie! This lie is perpetuated by Islam, because of all the historical, scientific and simple mathematical errors in the Quran/Quran - as you will read in

this book, the math in the Quran simply doesn't add up! "They" could not have changed the Christian Gospels after Muhammad, as 5,735 (Welte, 2003) manuscripts of the whole or part of the Greek text of the New Testament (Injil) still exist before Muhammad. There are 24,800 copies of these original manuscripts worldwide. These include the Codex Vaticanus (325-350 AD) located in the Vatican Library and the Codex Sinaiticus (350 AD) located in the British Museum. There are also 80,000 quotations in the works of early Christian writers, so extensive that the New Testament could be virtually reconstructed from them without the actual New Testament documents. Then there is the obvious fact that the Christian Gospels were so widely disseminated both before and after Muhammad, that any attempt to change (add/subtract) anything in the Christian Gospels would have resulted in immediate discovery and condemnation. Furthermore, the New Testament has been handed down since apostolic times and its authenticity has been guarded by the Christian churches, and it has been zealously guarded by the enemies of Christianity. If it had been tampered with, there would have been a very large protest on both sides. Likewise, the Septuagint edition of the Old Testament has always been in the hands of both Christians and Jews, both rivals in

religion. Any attempt to change the situation on either side would be vigorously attacked. There are four other "safeguards" to the integrity of the Bible. (1) Jesus Christ himself read the scroll of Isaiah in a synagogue in Nazareth and declared it Holy Scripture (inspired by God), Luke 4:16-21; (2) The Dead Sea Scrolls, found in 1947, verify the Jewish Torah from 100 AD. to 200 BC, when they were copied. Before this discovery, the oldest Torah dated back to the 9th century AD. The Dead Sea Scroll of Isaiah almost exactly verified the Isaiah Scroll copied in the 9th century; (3) The early Church Fathers such as Ignatius, Clement of Rome, Clement of Alexandria, Tertullian (155-230 AD), Justin Martyr (100-165 AD), Irenaeus - who wrote between 90 and 160 AD, all cited in their Christian writings Gospel Stories (Guthrie, 1990, page 24); (4) We know that Moses' writings were preserved as early as 621 BC. 2 Kings 22 talks about this in the time of the Israeli king Josiah. Ezra 7:14, Nehemiah 8:1-18, and Jeremiah 36 also speak of the Jews observing the Holy Scripture. Other collateral sources that confirm the events of the Gospel of Jesus are: Tacitus (56-117 AD), Suetonius (69-130 AD), Josephus (37-100 AD), Thallus (50-170 AD), Pliny the Younger (61-113 AD), Trajan (53-117 AD), Hadrian (76-138 AD), Lucian (125-180 AD), Mara Bar

Serapion (probably 1st century), Phlegon (100-199 AD) Some versions of the Sacred 1881 Bible differ in a few words here and there. However, the essential theological points remain the same and are complete. The Bibles we recommend that have not changed are: the original Protestant one authorized by King James (1611) and the Douay Rheims Catholic Bible - earlier versions. The Christian Holy Bible predates Muhammad and Islam by more than 575 years. The Jewish Torah predates Muhammad and Islam by 1,000 - 3,000 years. Muhammad said that Muslims read the Holy Bible for "Guidance and Light". For Islam to say that they are corrupt is to call Muhammad a liar for recommending him! The same Bible that Muhammad would have seen (if he ever saw it) is found in both (1) the Vatican (Codex Vaticanus) and (2) the British Museum (Codex Sinaiticus). It's all there, including Jesus Christ dying on the cross as atonement for our sins. And His resurrection and ascension into heaven before many witnesses. The New Testament is preserved in near-perfect condition in these two Greek texts which both predate Muhammad and Islam by over 200 years. Everything in the Christian/Jewish Bible is authenticated by archaeology. Consider the Babylonian cylinder inscription of Nabonidus (believed to be the last king of Babylon)

which commemorates Nabonidus' rebuilding of a ziggurat at Ur and records a prayer to Belshazzar (Daniel 5) his son "the firstborn son, the offspring of my heart" '. This not only proves that Belshazzar was actually a member of the Babylonian royal family, which had long been disputed, but also explains why Daniel is told that he might be the third ruler (with Nabonidus and Belshazzar more or less acting as co-regents). Consider also the "chariot wheels" found in the Red Sea, demonstrating that the exodus of the Jews from Egypt was real; and that the Egyptian army following the Jews was drowned by God (Yahweh), just as recorded in the Hebrew Bible. Muslims should note that nowhere in the Quran is there even a hint that the Christian biblical text has been altered or corrupted. The word "tahrif" is never used in reference to the Christian Gospels (Injil). The Quran occasionally accuses Jews of tampering with their Scriptures (as in Surah 5:13); but he never directs this accusation at Christians. This in no way implies that the text of the Gospel of Jesus (Injil) has been corrupted. In fact, the Koran attests to the validity of the Christian Gospels, the Zabur (Psalms) and the Torah. The Jewish and Christian Bibles were written by "inspired men of God" who immediately wrote down the Word of God. Islam does not even have an original or

inspired Quran. The Muslim Quran is supposed to have been composed from the "memory" of those who supposedly committed the words of Muhammad to memory and from some fragments found under a bed. This was originally started about 15-20 years after Muhammad's death in the house of his wife Ayish in Medina, and was lowered into a hole in the ground, where it remains. The compilation was not finished until at least 150 years after Muhammad's death. This "hearsay" argument seriously calls into question the credibility of the Quran. But this is just the beginning. All the errors, including simple mathematical and historical errors that you will see in the Quran written in this book, make it impossible for this to be a divine revelation. Al Bukhari, a 9th-10th century Muslim scholar and the most authoritative of the compilers of the Muslim tradition, writes that whenever Muhammad fell into one of his unpredictable trances, his revelations were written on whatever was at hand in that moment. The leg or thigh bones of dead animals were used, as were palm leaves, parchment, paper, hides, mats, stones, and bark. And when there was nothing at hand, his disciples attempted to memorize it as closely as possible. Muhammad's child wife said this after Muhammad's death: "The verse of stoning and nursing an adult ten times was revealed, and

they were (written) on a piece of paper and kept under my bed. When the messenger of Allah passed away and we were worried about his death, a goat came in and devoured the paper." As for the Taurat (Torah), the Jewish scribes painstakingly copied it through a system of checking, rechecking, and adding every letter on every line. Any attempt to change anything in the Torah would lead to immediate discovery and condemnation. And copies of the Torah around the world agree exactly. Thousands of Hebrew manuscript copies of the Old Testament are still available for textual criticism, ranging in age from the 2nd century B.C. (Before Christ) until the 11th century AD. (After Christ).

**THE QURAN IS NOT AN AUTHENTIC
BOOK NOR IS IT A REVELATION**

There are no Arabic chronicles of Islam from the first century of Islam. Many of the earliest known documents about Islam refer to Muhammad's followers as "hagarenes" and to the "tribe of Ishmael," in other words as descendants of Hagar, the maidservant whom the Jewish patriarch Abraham used to father his son Ishmael. This same quality of transmission that we find regarding the Jewish and Christian Bible cannot be said of the Islamic Quran. The Islamic Quran was written mostly from third- and fourth-hand accounts; and from some thoughts written on scrap paper, palm leaves and stones --and compiled over 150 years after Muhammad's death at the age of 63 in 632 AD. In *Mishtatu 'lMasabih*, chapter 3, we are informed that by command of the first Caliph, Abu Bakr, the text of the Quran was "gathered" by Zaid ibn Thabit "from palm leaves and stones and from the breasts of those who had learned by heart" the various revelations. of Hafsa, one of Muhammad's widows. Qustalani states that after Hafsa's death her copy was torn to pieces by Mirwan, who was governor of Medina. The oldest Quran dates back to 790 AD. approximately (after Jesus), and is in the British language Library: 158 years after the death of Muhammad! Muslims often claim that the manuscript of the Quran housed in the Topkapi Museum in Istanbul,

Turkey, is one of the oldest sources. Muslims say it dates back to 650 AD. about. There is an insurmountable problem with this. This document is written in Kufic script (also known as al-Khatt al Kufi). Coins held in the British Museum show that the earliest coins using the Kufic script date back to the mid-to-late 8th century (750-800 AD). The only script used during and after the days of Muhammad was the Jazm script. These early copies of the Quran are written without vowels and without the diacritics that modern Arabic uses to clarify which letter is meant. In the 8th and 9th centuries, more than a century after Muhammad's death, Islamic commentators added diacritics to clarify ambiguities in the text. The Quran is not an authentic book or a revelation. Much of the Quran was copied from early Christian texts. Mr. Luxenberg traced passages in the Koran dealing with "paradise" to a Christian text called Hymns of Paradise by a fourth-century author. Mr. Luxenberg said the word paradise comes from the Aramaic word for garden, and all descriptions of paradise describe it as a garden of flowing waters, abundant fruit and white raisins, a delicacy enjoyed in the ancient Near East. In this context, white raisins, often mentioned as hur, Luxenberg said, make more sense than a reward of sexual favors. "I think the broader implication of some revisionist studies is to say

that the Quran is not an authentic book, that it was fabricated 150 years later,” says Ebrahim Moosa, a professor of religious studies at Duke University and an expert on Muslim clergy. whose liberal theological leanings earned him the animosity of South African fundamentalists, whom he abandoned after his home was bombed. The Samarkand manuscript (aka: Uthman Quran) in the Soviet Library in Tashkent, Uzbekistan also uses the Kufic script, indicating the late 8th century. Many believe it is the oldest in existence. But only about a third of the original survives. This manuscript of Samarkand and the codex is noticeably incomplete. It begins only halfway through verse 7 of Surah Al-Baqarah (the second Surah) and numerous pages are missing from there on. The next oldest Muslim manuscripts also date back to the 8th century. One is written in al-ma'il script and the other in Kufic. None of these correspond exactly to today's Quran. Furthermore, in 1972, construction workers restoring the Great Mosque of Sana'a in Yemen found a cache of manuscript fragments that differ and contradict today's Quran so much that Muslims try to hide it. These manuscripts of the Yemeni Quran date back to the 7th and 8th centuries and are actually the oldest found and found in Hijazi. The Hijazi script (Makkan or Medinan) is the script in which the first masahifs of the

Quran were written. These manuscripts call into question whether the current Quran was delivered to Muslims in its original form. Your guess is as good as mine regarding who, other than Muhammad, composed the Quran. Aside from some erroneous references to the patriarchs and Moses, the Quran is primarily focused on the time period in which Muhammad himself lived, including Muhammad's numerous military attacks on innocent caravans and Arab villages. This seems hardly compatible with a holy revelation from God. Considering the total absence of external and internal evidence that can actually verify the revelatory character of the Quran, we find it very difficult, if not impossible, to accept the Quran as a Message sent by God. This is especially true because the Quran contradicts the previous revelation, the origin of which is given in the Surahs of the Quran/Koran. Ask a Muslim: By whom and when were the Christian and Jewish Scriptures corrupted? You will have a blank look. The only thing Muslims know is that this lie has been drilled into them since childhood. Even though their own prophet has fully attested to the genuineness and authenticity of the Old and New Testaments, Islam claims that they have been corrupted. **Why?** Because the Quran falsely contradicts both of them. And Islamic clerics know it. In the minds of

Muslim clerics this also relieves them of Muhammad's statements such as: The Muslims who have received the Quran have no solid foundation of faith, and that the foundation of the Muslim faith is insecure and insufficient and the Muslim religion is useless, unless do not observe and follow the Taurat (Torah) and the Gospel (Injil). Many Muslim Imams and Mullahs mistakenly refer to Surah 2:140 to try to prove that Jews and Christians had corrupted their Scriptures. Referring to the Jews, this Surah says; "...who is more unjust than those who conceal the testimony they have from Allah?" However, nowhere does this Surah state that the Jews and Christians have corrupted their Scriptures. Muslim clerics have to point out something because they know that the Jewish Torah and the Christian Gospels seriously contradict the Islamic Quran. The fact that Muhammad and Allah told Muslims to believe in the Torah and the Christian Gospels is a bad dilemma for these professionals who wish to continue to create a good life in Islam. Surahs 6:34, 6:115, 10:64 and 50:28,29 clearly tell Muslims: "There can be no change in the words of Allah" and that Allah cannot alter (or abrogate) his words. The Christian Torah and Gospels are correct, because Allah has verified this fact - this clearly makes the Muslim Quran false; because it contradicts Allah. As you

can see from these verses below in the Qur'an (Qur'an), the Gospel of Jesus and the Jewish Torah are the Divine Word of Allah, and Muhammad commanded the reading of the Holy Injil (Gospel of Jesus) and the Torah (Taurat) as part of Islam. (Surah 2:87) - And We surely gave Musa the Book and sent the apostles after him one after another; and We gave Isa, son of Marium, clear arguments and strengthened him with the holy spirit, (Surah 3:48) - And He (Isa/Jesus) will teach him the Book, wisdom, the Taurat (Torah) and the Injeel (Christian Gospel). (Surah 3:50) - And a verifier of that which is before me of the Taurat (Torah) and that I may grant you part of that which has been forbidden to you, and therefore I have come to you with a sign from your Lord take heed to (your duty to) Allah and obey me. (Surah 5:44) - "We have revealed the Taurat (Torah/Bible of the Old Testament) in which there was guidance and light", with it the prophets who submitted...(Surah 5:46) - And We sent after them in their footsteps Isa, son of Marium, verifying what was before him of the Taurat (Jewish Torah) and We gave him the Injeel (Christian Gospels) in which there was guidance and light, and verification of what was before Taurat and guidance and warning for those who watch (against evil). (Surah 5:68) - Say: O followers of the Book! you

do not follow anything good until you maintain Taurat and Injeel and that which is revealed to you by your Lord; (Surah 6.154) - Again, We gave the Book (Torah) to Musa to complete it (Our blessings) upon the one who wishes to do good (to others), and to make clear all things and guidance and mercy , so that they believe in the meeting of their Lord. (Surah 6.155) - And this (Torah) is a Book which We have revealed, blessed; therefore follow it and be vigilant (against evil) so that mercy may be shown to you. (Surah 29:46) - "And do not argue with the People of the Book, but say: 'We believe in the revelation that has come to us and in that which has come to you; our Allah and your Allah are one; (Surah 32:23) - And We have certainly given the Book to Musa, so there is no question as to how to receive it, and We have made it a guide for the children of Israel. (Surah 43:63) - When Jesus came with Clear Signs, he said: "Now I have come to you with Wisdom, and to clarify some of the (points) you argue about: therefore fear Allah and obey Me. (Surah 46:12) - we are told.... "And before it the Book of Musa (Moses) (Torah) was a guidance and a mercy: and this is a Book that verifies it in the Arabic language that it may warn those who do wrong and good news for those who do good..." This Surah below shows how Muhammad had a complete misunderstanding

of the Christian Gospel and what the Trinity is. Apparently Muhammad is referring to Christians. But his mistake is here that both Christians and Jews believe that there is only one God. Muhammad also mistakenly thought that the Trinity was the Father, the Son and Mother (Mary). (Surah 5:73-75), "Those who say: Allah is one of the three..." blaspheme. The Orthodox Christian understanding of the Trinity has always been this state: The Father, the Son and the Holy Spirit are three distinct and coherent persons, sharing a single and indivisible Divine essence. Once again, below Muhammad attests to the authority of the Torah (Taurat). So, for Muslims to claim that the Holy Bible has been corrupted is an already lost argument....In Surah 5:48 we are told that Muhammad is given the Quran as confirmation of the Bible; that is - it serves to prove the authenticity of the Bible... "And we have revealed to you the Book with truth, verifying what is before the Book and keeping it," In Surah 46:12 we are told... "Yet before there was the Book of Moses (Torah/Old Testament) which was an authority and a mercy. This (the Quran) is the Book which confirms it in the Arabic language.

**MUHAMMAD HIMSELF REFERRED
TO THE TORAH FOR GUIDANCE**

A group of Jews came to Muhammad and asked him to pass judgment on an adulterous couple. Muhammad asked for the Torah to be brought to him and the couple was subsequently stoned to death according to the punishment stipulated in the Torah. This incident indicates that Muhammad deferred to the Torah for judgment. In the whole incident, there is no indication that the Torah is not trustworthy, See also: fate of those who do not live according to the Torah, al-Jumu`ah 62:5; referring to the resolution of food disputes, Imran 3:93-94; punishment in, al-Ma'ida 5:45 Torah/Taurat: This word occurs 18 times in the Quran. It refers to the 39 books that make up the Jewish and Christian Old Testament. Jesus himself said that "every iota" (or every part) of this Torah/Taurat is true. If you are a Muslim reading this book, then today may be the time to free yourself from that tyrannical yoke of living in a false religion that has managed to keep together a group of thieves, murderers and opportunists. Your first step toward eternal salvation is no more difficult than inviting the only begotten Son of God into your heart as your Lord, Saviour, and the One who has already paid Himself for your sins.

MARY AND THE CHILDHOOD OF JESUS

Is it possible that the Muslim Quran is nothing more than a whole book of lies and satanic verses that "tickle the ears of the Arabs"? Let's look closer and a little deeper. Muhammad posed as a prophet and apostle of God. Yet his life is full of lust (12 marriages and sex with children, slaves and concubines), rapes, wars, conquests and merciless bloody massacres. Islam opposes the cardinal teachings of Christianity such as the sonship of Christ, the fatherhood of God, and the death of Jesus Christ. Because of these opposing doctrinal views, the need to revise Islam is paramount for those who hunger for the truth. The teachings on the person of Christ determine the genuineness or falsity of each religion. Without Christ, all religions could be right. Attributing authorship to God is vehemently condemned by Allah in the Quran. In fact, it is considered blasphemy. Along with the many scientific, historical and simple mathematical errors found in the Qur'an/Qur'an that cannot be reconciled, this is the main reason why Muslims believe that the biblical texts have been corrupted. Muslims are of the opinion that Jesus Christ never addressed himself with any title of Sonship. This title is so repugnant to Allah that he even resorted to actual curses in one of the Surahs of the Koran: . . . Christians called Christ the Son of God. This is a saying that comes

from their mouths. [In this] they do nothing but imitate what the ancient non-believers said. The curse of God be upon them (Surah at taubah, 30). If Allah is truly the Rahman Rahim (i.e. the Beneficent, the Merciful) why does he not want “blasphemous” Christians to repent? Does this Allah resort to actual cursing? However, in the Holy Bible, God must endure Satan until the appointed time. Why can't Allah tolerate Christians? At this point we must ask ourselves: who is this Allah who must resort to cursing those who believe that Jesus is the Son of God? Could he be the same God who speaks in the Holy Bible? If the Holy Bible and the Quran had the same author, surely they would not say the same thing? This does not mean that God married a wife and fathered Jesus in the usual biological process, as the Quran Allah states. Jesus is the only Son of God in a spiritual sense. Because of the wonderful love the Holy Bible has for sinners, He has come down to us in the person of Jesus Christ. He became known to us as the Son of God and came to save us from our sins.

“And without controversy, great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached to the Gentiles, believed in in the world, received up into glory” (1 Timothy 3:16). Muslims cannot imagine that God loves sinners to the

point of coming down personally, as the Son, to save them. For Muslims this is evidence of polytheism, because in the Quran they are taught that Allah does not love sinners (Surah 2:190). This is repeated twenty-four times in the Quran for emphasis. That Allah does not love disbelievers (Surah 3:31) and that He has even stopped their ears, sealed their hearts and blindfolded their eyes (Surah 2:6-7). All of this is in direct opposition to biblical teachings which teach that, **“God hath manifested his love toward us, in that while we were yet sinners, Christ died for us”** (Romans 5:8). The central theme of the Bible is this: ***“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have eternal life”*** (John 3:16). Are you a sinner? You know deep in your heart that you are. You also know in your heart that without bloodshed there is no forgiveness. But despite all your sins, the God of the Holy Bible loves you and has provided for your salvation through His perfect sacrifice, the shed blood of Jesus, His only begotten Son. The Arabic word "inni-mutawaffika" translated "I will get you" is a matter of controversy among scholars. Some say the word means sleep death and God resurrected him in his sleep. **(1)** Others say the word means that I, God, take you away from the world, but not by death. **(2)**

Still others say it means that God made Jesus die for three hours and then resurrected him. (3) Muhammad Ibn Ishaq said that he was dead for seven hours, then God resurrected Him to life and took Him to heaven. Dr. Anis Shorrosh says: "As an Arab, I have never known any other meaning than death for this expression, i.e. 'inni-mutawaffeeka', within or without the Quran." The controversy rages in Surah 4, An-nisa, 157: Who said [boastfully]: We have killed Christ Jesus, son of Mary, the Apostle of God; But they did not kill him, nor crucified him, but thus he was made to appear to them, and those who differ on this point are full of doubts, without any [certain] knowledge, but only conjectures to follow, because they certainly did not kill him. From this Surah comes the popular Muslim belief that Allah cast the likeness of Jesus on another man and that this man was the one crucified while Jesus was taken away to heaven. Muslims believe that the world was deceived into believing that Jesus was crucified. The main culprit of this deception is Allah himself. Whoever came up with this clever fable actually did a good job for Islam, but not in depth. He failed to identify Jesus' replacement, thus leaving room for further controversy. Muslims find it appropriate to select Judas Iscariot since it was he who betrayed Jesus Christ the Nazarene. But this cannot be because Judas,

after betraying Jesus, was overcome by guilt and committed suicide (Matthew 27:3-5). And so Muslims must swim and ultimately sink (unless they repent) in the ocean of dilemma into which Allah and the Quran have immersed them. Realizing the untenable nature of the ambiguous statement contained in Surah 4:157, some scholars are busy experimenting with more "suitable" theories. One such scholar is the aggressive sophist Ahmed Deedat. In one of his specious arguments entitled Resurrection or resuscitation? Deedat proposed the "swoon theory" as a theory that Jesus survived half-dead at the cross and later recovered in a spacious tomb. The repeated denial of Jesus' death on the cross in Surah 4:157 not only exposes Allah's deception, but also exposes his ignorance of the prophetic tradition. The true God mentions the triumph of the Messiah (Jesus) over Satan through death when He made the promise in the Garden of Eden (Genesis 3:15). The prophet Isaiah predicted his (Jesus) virgin birth (Isaiah 7:14) and also His atoning death (Isaiah 53:5-9). The prophet David, whom Muslims call Anabiya Dauda, also prophesied the death of Jesus (Psalm 16:10), a prophecy which is confirmed in Acts 13:32-35. If you are the kind of person who is skeptical about prophecies that come true, then consider one that will come true at the second coming of Christ: "And I will

pour out upon the house of David, and upon the inhabitants of Jerusalem, the Spirit of grace and of supplications; and they will look to me whom they have pierced" (Zechariah 12:10; See and read in the Book of Revelation 1:7). An Allah who ignores these prophecies cannot be a true God even if he claims to be one. As we see in Surah al-Maryam, 15: "So peace be upon him [referring to John] on the day he was born, and on the day he dies, and on the day he is raised to life [again]!" And verse 33 of the same Surah: «So peace is upon me [Jesus] the day I was born, the day I die and the day I rise again to life». There is no debating the fact that Muslims believe that the apostle John (Yahaya) was born and died according to the first verse. Then why not believe the same thing about Jesus the Christ according to the second verse? Because the order of the two verses is the same and the words are practically the same. The context in the second can only mean one thing. Yusuf Ali seems to realize this fact. Comparing Surah 19:15 with Surah 19:33, he commented thus: "Christ was not crucified (Surah 4:157) but those who believed that He never died should reflect on this verse (i.e. 33 of Surah al- Maryam)". Some do not want to believe in the crucifixion on the grounds that God would not allow His chosen prophet such as Jesus Christ to be killed by evil

hands. This reasoning is refuted by the Quran itself. They said (also), "God kept our promise not to believe in an apostle unless he showed us a sacrifice consumed by fire [from heaven]. Say, "Apostles came to you before me, with obvious signs and with what you have you ask: why then did you kill them, if you tell the truth?" ‘ (Surah 3:183). If we examine the entire Quran, we find that the only messenger who came from God with the kind of offering described in the above-mentioned Surah is Christ, as can be seen in Surah 5:115-117. The apostle Paul, who Muslims absolutely hate to listen to, made an extraordinary observation regarding the death and resurrection of Jesus Christ. An observation that mocks anyone who tries to deny this historical event. ***“For I delivered to you first of all that which I also received, that Christ died for our sins according to the Scriptures, and that he was buried, and that he rose again on the third day according to the Holy Scriptures: And that he was seen by Cephas, then by the Twelve; then he was seen by more than five hundred brethren at once; of whom most have remained to this day, but some have fallen asleep”*** (1 Corinthians 15:3-6). In essence the apostle Paul says this: if you have doubts, go ask eyewitnesses. If Muslims had known the importance of the cross in God's program, they certainly

would not have rejected it. Satan knows he has met his Waterloo through the death and resurrection of Jesus the Christ: *"Since therefore the children are partakers of flesh and blood, He Himself [Jesus] also partook of the same; so that through death He destroyed Him who has the power of death, that is, the devil; And to deliver those who through fear of death have been subject to slavery all His life"* (Hebrews 2:14, 15). This was Christ's only mission and He accomplished it, praise God! Contrary to Muslim claims, neither Christ nor Paul founded a religion. Religion is Satan's net to capture men in Hell fire, while Christ came specifically to defeat Satan and liberate all who put their trust in Him! Does the Quran inform us how Allah defeated Satan? No, on the contrary, Allah also incorporates the cohorts of Satan (the jinn demons) into the Islamic fold (Surah 72:14) and focuses on fighting the salvation plan of the God of the Holy Bible. Historical note: in Jerusalem, on the ancient mount of the temple of the Most Holy God, Abd al Malik ibn Marwan built the Dome of the Rock in memory of Muhammad in the years from 686 to 705 AD. The Dome was erected just 300 feet south of where the Solomonic Temple once stood, and only a few hundred yards from where Jesus was crucified. It was actually built in the Courtyard of the

Gentiles. Angels protected the actual place of God's stool on earth from pagan Muslims who thought they had built their mosque on the holiest place in the world. Inside the dome is a prominent inscription in Arabic that reads: "God forbid that he should have a son."

THE DOME OF THE ROCK
AND THE PROPHECIES OF DANIEL

(Daniel 12:11) ***“And from the time that the daily sacrifice is taken away, and the abomination that makes desolate is set up, a thousand two hundred and ninety days shall pass.”***

This marks the Dome of the Rock and al-Aqsa Mosque as the "abomination of desolation" for the exact day they were built. In the next verse, the prophet Daniel, writing around 550 BC, provides a checksum. It was so important that the True Creator God, who can predict the future, gave us a double-checked figure. (Daniel 12:12) says; ***"Blessed is he who waits and reaches the thousand three hundred and thirty-five days."*** The previous two verses tell us that we are in the "last days" before the return of Jesus; for this prophecy was sealed until the 'END TIMES'. And that there will be scoffers on the importance of this prophecy: (Daniel chapter 12:10) ***"And he said, Go, Daniel, for the words are hid and sealed until the time of the end. Many will be purified, whitened and tested; but the wicked will do wickedly: and none of the wicked will understand; but the wise will understand."*** The "abomination of desolation" has already occurred exactly on schedule (Daniel's Prophecy of 1290 days). When the pagan Islamic Dome of the Rock and al-Aqsa Mosque were built on the

temple mount, the temple mount was "desolate" or defiled. This was built during the period 685 to 705 AD. In Daniel's time, we know that Nebuchadnezzar destroyed the First Temple in 586 BC. We also know from Jeremiah that sacrifices were offered on the temple mount for a year or so after it was destroyed. (Jeremiah 41:5) *"And there came some from Shechem, and from Shiloh, and from Samaria, eighty men, with their beards shaved, and their clothes torn, and with incisions, with offerings and incense in their hands, to bring them to the house of the Lord."* So what happened in 1290 years of the Old Testament in a period of about a year around 586 BC? The Muslim Dome of the Rock was built on the Temple Mount! This abomination was built during the period between 685 and 705 AD. It took so long to build. In Daniel's time, we know that Nebuchadnezzar destroyed the First Temple in 586 BC. We also know from Jeremiah 41:5 that sacrifices occurred on the temple mount for about a year after the first Jewish temple was destroyed. The formula for this is to convert the Old Testament years (360 days a year) into what we are in (solar years or 365.24 days) is this: Old Testament prophetic years of 1290 times 0.9857 = 1271 solar years. Take 705 AD. as the year for the Dome of the Rock and add 586 and you get 1291. This is exactly what Daniel

said when you add the short time the Jews visit the mountain to make sacrifices after it was destroyed. 1335 - the "double check" number (Checksum): it gets even better than this. The prophet Daniel gave us another number that, when added with the same formula, brings us exactly to 1948, when the Jews were brought back to the land. He recalls that 1948 was their Independence Day when they officially became a nation again after 2500 years. $1335 \text{ times } 0.9857 = 1316$. 1948 (when Israel became a nation) minus 1316, takes us back to another date that the God of prophecy wants us to be aware of. This equates to 632 AD, the date when Muhammad of Islam died in the home of his child bride and was buried in a tomb in Medina. We Christians know from Muslim historians themselves that any Muslim claims to anything in Jerusalem are simply invented. Muhammad ibn al-Hanafiya (638-700 AD), a close relative of Muhammad, is quoted as denigrating the idea that Muhammad ever set foot on the Rock in Jerusalem; "these damned Syrians," by which he means the Umayyads, "pretend that God set his foot on the Rock in Jerusalem, although [only] one person ever set his foot on the rock, namely Abraham." For Christians. If you have trouble with Daniel's prophecy about the "abomination of Desolation", then visit the "Olivet"

discourse of our dear Lord Jesus Christ in the Book of Matthew
chapter 24!

ISLAM, LIKE SATAN -

Most Muslims do not realize that Islam does not allow any freedom. This alone should make them understand that Satan is behind Islam and not an eternal God. Satan only wants to enslave Muslims to help him enslave the entire world. He does this by distancing them from the truth: that salvation is already yours, if only you have faith in the Son of God, Jesus. Islam is a religion based on intimidation and fear. The word "Islam" does not mean "peace". It means "submission". A Muslim is not allowed to leave Islam. Doing so means risking your life. At birth, a person is labeled as Muslim or non-Muslim depending on their ancestry. Among other things, the religion of Islam is a brainwashing religion, and that is why so many Muslims turn into crazy mindless zombies. Muslims are required to pray 5 times a day in Arabic to a God who does not exist, from the moment they embrace Islam; and when they do so they hit the floor with their heads. This is one of the reasons why they are brainwashed, this repetitive prayer. You can often spot fanatical Muslims by the marks on their forehead resulting from this repeated touching of the head to the floor, where they often hit their head hard during their prayers. If you are Muslim and you don't pray 5 obligatory times a day (in Arabic), which must be preceded by ritual washing/ablution (Wudu), according to Muhammad

you run the grave danger of going to hell. Muslims can be exempted from observing the other pillars of Islam such as fasting, almsgiving, pilgrimage to Mecca. But no Muslim is ever exempt from obligatory prayer 5 times a day. In Christianity there is no compulsion or obligatory prayer. The Lord God gave Christians free will. Christians know that they must honor God every day, not just on Sunday. Muslims should count their "blessings" '. During Muhammad's imaginative and mystical night journey to paradise, Muhammad said that Allah originally told him to command his followers to pray fifty times a day, but Allah later revealed that this was too great a burden. What Muhammad probably meant was that he soon found that even he could not keep up with the mandatory fifty prayer sessions a day. Then, like many Surahs you will see and read in this book, miraculously one Surah appeared to help Muhammad in his personal life. In Christianity there is no such compulsion. Yahweh wants sincere prayers. Unwritten prayers. Christians know enough to talk to God as their "Abba" (literally dad in Aramaic). Muslims generally do not even think about individual, bilateral prayers to God. Muslim prayers resemble a "broadcast"; and usually one never expects any response from their Allah. Jesus of Nazareth told us: ***"But when you pray, do***

not use vain repetitions, as the pagans do: because they think that they will be heard for their many words. Therefore do not be like them, because your Father knows what things you need, before you ask him." (Matthew 6:7 - 8)

CAIRO, Egypt, December 11, 2005 In a recorded message, Ayman al-Zawahiri urged all Muslims to take up arms and said that their refusal to join the fight against "the Cross and Zionism" is an "evil disease " which would only lead to the defeat of militant Islam. Another example of this senseless evil and fanatical behavior seen in Muslims is the Shia Muslim holiday of Ashura, which commemorates the death of Muhammad's grandson Husayn. Some Shia Muslims stab themselves in the head during this "holiday", practicing cutting on the head and beating the wound so that it continues to bleed. (Photo found on page 60). And the "bleeders" then go around in groups screaming. And the cruelest and worst practice of Muslims is the practice of genital cutting (**aka: FGC, Female Genital Cutting**), genital mutilation, of young girls in Muslim countries. It has been estimated that approximately 2 million infants, girls and women are subjected to this painful and unnecessary practice each year

worldwide. **FIGC** is generally performed without anesthesia or antibiotics. A symptom of slavery: Islamic law encourages Muslims to proselytize (convert others.) Islam, however, clearly prohibits others from proselytizing Muslims. This is because hearing the truth as revealed in the Christian Holy Bible would weaken this false path to God (Islam). BUT WHAT ABOUT THE CRUSADES – YOU MIGHT ASK: Every Christian who participated in the Crusades did so, against the teachings of Jesus. However, in retrospect, the Crusades probably gave the Western world a thousand years of freedom from the diabolical religion of Islam. The Crusaders stopped the expansion of the Islamic empire. This allowed Christianity to thrive in Europe, preserving the Gospel for the rest of the world to receive. The Crusades were a reaction to the Muslim crusades against the entire world. In the 7th century, Muslims took control of Jerusalem, and in the 11th century they began to harass, kill, and harass Christian pilgrims in the Jerusalem area. The Muslim Turks even attacked Rome and Belgrade in 1456 AD. The Crusades were also a response to cries for help from the eastern Byzantine Empire, which was very concerned about the military threat from the Seljuk Turks. So, if the Christians had not responded, the Muslims would have conquered all

of Europe and wiped Christianity off the planet. Did this have any meaning to Osama bin Laden's sick mind? The heyday of Muslims in Europe ended when they were repelled from Vienna on September 11, 1683 AD. In 1009 AD, Kalif Hakem (Fatimid Caliph al-Hakim bi-Amr Allah) of Egypt ordered the destruction of the Holy Sepulcher and all Christian places of worship in Jerusalem. Christians were cruelly persecuted and pilgrims were attacked. When the Muslims conquered Egypt in 642 AD. They destroyed the tombs of the Christian saints buried there. They gave their bones to the dogs. They did this following their Hadith (Sahih Muslim 2115) which says; "Do not leave an image without erasing it, nor another grave without leveling." Here is a speech by Pope Urban II to the Christians of this crusader era:

“Because your brothers who live in the East urgently need your help, and you must hurry to give them the help that has often been promised to them. Because, as many of you have heard, the Turks and Arabs attacked them and conquered the territory of Romania (the Greek empire) up to the western shore of the Mediterranean and the Hellespont, which is called the arm of St. George. They increasingly occupied the lands of those Christians and defeated them in seven battles. They killed and captured many, destroyed

churches and devastated the empire. If you allow them to continue like this with impunity for a while, God's faithful will be attacked much more widely by them. For this reason I, or rather the Lord, beseech you as heralds of Christ to publish this everywhere and to persuade all people of whatever rank, infantrymen and knights, poor and rich, to promptly bring aid to those Christians and destroy that vile race. from the lands of our friends."

SPAIN UNDER THE MORI

Nor was Spain under the Muslim Moors the jewel of Islamic tolerance it is often claimed to be. In 920 AD all the inhabitants of Mueza were put to the sword. Cordova, Zaragoza, and Merida were razed, with all adult males executed and all women and children enslaved. In 1066 AD all the Jews of Grenada were massacred. In 1126 AD. All Christians from Grenada were deported to Morocco.

CARNAGE IN CONSTANTINOPLE: Under Muhammad II the Turks conquered the great Byzantine capital, Constantinople. On May 29, 1453 AD, waves of Turkish soldiers invaded Constantinople, the largest city in the world at that time, and put it to the sword. Priceless libraries and irreplaceable works of art were burned, the population massacred, even in the Hagia Sophia, at that time the largest Christian church in the world. For centuries the Turks have demanded an annual "blood sample" for Christian boys. Parents were forced to hand over one in five Christian boys for service in the Sultan's army as a Janissary. In 1860 over 12,000 Christians were massacred in Lebanon. In 1876 14,700 Bulgarians were murdered by the Turks. 200,000 Armenian Christians were massacred by the Turks in Bayazid in 1877. And in 1915 the Turks massacred over 1.5 million Armenian

Christians. In September 1922 the Turkish army destroyed the ancient city of Smyrna with its 300,000 Christians.

THE LIFE OF MUHAMMAD

According to tradition, Muhammad was born in Mecca on April 20, 570 AD. Shiites say he was born on April 26. His full name was Muhammad Bin-Abdullah. At the time Muhammad was born, Muhammad's father was the leader of the pagan cult tribe of Koreish. Muhammad's father was 'Abd Allāh ibn 'Abd al-Muttalib, of the family of Hashim (Shaiba ibn Hashim). 'Abd Allāh means "slave of Allah". His father died soon after the birth of his son, while he was engaged in a trading expedition. His father was the youngest son of Abdul Muttalib and great-grandson of Kussai. Muhammad was orphaned early in his life after the death of his mother Amina and was raised by his grandfather Abdul Muttalib, then chief of the Quraysh (Koreish) tribe, and by his uncle Abu-Talib from the age of 6 . under the care of a Bedouin nurse named Halima Muhammad he became prone to epileptic fits. The branch of the Quraysh tribe to which Muhammad belonged was known as Beni Hashem. At the age of nine the boy Muhammad mounted a camel and set off on a merchandising expedition to Syria. It was while with his grandfather and uncle that Muhammad learned to be lordly, to exercise power, to fast, and to pray in certain specific times of the day. The Quraysh tribe prayed to idols at dawn, noon and dusk; and looked in the direction of the black stone

idol and the Kaaba. While he was away from Arabia he saw the sacred places of the Jews. He stopped at the place where the king of Salem came out and paid homage to Abraham. He was shown the place where his great mother, the slave Hagar, came out leading Ishmael by the hand. He saw Damascus, the city of the desert, and Sinai, the mountain of the law. Then he returned to Mecca full of visions and dreams. His adolescence was as a shepherd and assistant of caravans. At the age of 20 Muhammad was hired by a wealthy Christian woman named Khadija (or Khadeejah) to manage her late husband's caravan business. When Muhammad was 25 years old he married Khadija, a woman who was then 40 years old. Khadija's cousin, Warajah Ibn Nawfal (alias: Neufel), a monk of the heretical Ebionite Christian sect, presided over their wedding ceremony. Six children were born, but only one survived to adulthood; his beloved daughter Fatima. While in the caravan business, Muhammad made many trips to Syria and Palestine. During this period Muhammad met both Jews and Christians. Later, the monk-like Muhammad had things written about both Jewish and Christian history in the Quran, which shows that Muhammad did not possess an intellect worthy of a historian. It has also been thought that Muhammad could neither read nor write. In

fact, the Quran says that Muhammad was illiterate (Ummi) in Surah 7:157. These entries from the Quran (Qur'an) that you will see below are marred by gross errors and attention to detail. This marriage to the much older Khadija, who was then 40 years old and had already been married twice, proved very fortunate for Muhammad. Muhammad suddenly became equal to the richest men in Mecca. While he was married to Khadija Muhammad he did not marry any other wife. However, after his death, Muhammad showed no limit to his self-gratification of lust with multiple wives, slaves, prisoners, and even the wife of his adopted son Zaid. Khadija bore Muhammad two sons, both of whom died young. They both also had 4 daughters together. Their names were Rockeya, Kolthum, Zeinale and Fatima. People asked Aisha, Muhammad's favorite child bride, how the Prophet lived at home. "Like a normal man," she replied. "He swept the house, sewed his clothes, mended his sandals; watered the camels, milked the goats, helped the servants in their work and ate with them; and went to get something we needed from the market." Aisha (only 6 years old when married) believed everything Muhammad told her about his divine inspiration. Muhammad claimed to receive revelations from Allah only when he slept with Aisha. Why didn't Gabriel bother

to visit him when Muhammad spent his nights with other wives in his harem? Reference: a hadith by Sahih Bukhari: "Muhammad received divine inspiration only in the bed of Aisha" (Surah 3.47.755) Aisha did not see Gabriel while Muhammad introduced Gabriel to her...4.54.440 Volume 4, Book 54, Number 440: Narrated Abu Salama: 'Aisha said that the Prophet said to her "O 'Aisha' This is Gabriel and he sends his (regards) regards to you." 'Aisha said: "Greetings (greetings) to him, and the mercy and blessings of Allah be upon him", and turning to the Prophet she said: "You see what I do not see."

The biggest false teachings of the Quran

The New Testament repeatedly declares that Jesus Christ is the Son of God, Who was crucified and resurrected both to pay for our sins and to make our salvation possible, but the Quran expressly denies all of these things. The Quran says that Jesus was not crucified. (Surah 4:157-158). The sacrificial death of Jesus Christ as atonement for our sins was an obstacle to Muhammad. Muhammad said that only one in his likeness was crucified. This clearly contradicts all 4 Gospels (Injil) which Muhammad confirmed as the Word of God revealed in the

Quran itself. Islam is actually guilty of supporting the cause of Satan himself, who has argued from the beginning that man has the right to ignore the known will of God as Satan had done. Satan lies by saying that man could ignore God's will without incurring the death penalty. But God cared enough about our guilty and sinful human race to bear the punishment for us Himself, in the person of Jesus of Nazareth, whose perfect atoning sacrifice saved every believing and repentant sinner. To think that we can have eternal Life without someone like Jesus "paying our price" for our sins is to mistakenly believe that God can righteously forgive without requiring any atonement. This makes God Himself a protector of sin rather than its avenger. If you accept Islam, you will forever reject Jesus and His suffering and substitutionary death for your sins on the cross. It's a decision that will affect where you spend eternity. The New Testament was written by people who walked with Jesus. Muhammad didn't hear about Jesus (called Isa in the Quran) until more than five centuries later, and even what he heard seems to have remained confusing. Jesus was not simply a prophet for Christians to remember, Jesus Christ warned us that if you deny Him, He will deny you before the Father. Muslims mistakenly believe they have "this base" covered because they show

reverence towards Jesus only as the "great Prophet." Surah 3.45: When the angels said: O Marium, surely Allah gives you good news with a Word from Him (of one) whose name is the 'Messiah', Isa (Jesus) son of Marium, worthy of respect in this world and in the Hereafter and of those who draw near (to Allah).

ISLAMIC SATAN LIES

Islam is built on devious lies invented by evil men to maintain cohesion and discipline within their gang of thieves. Islam is the only religion that says Jesus did not die on the cross. Islam denies this historical fact about Jesus which therefore denies the salvation given to us by the painful death and miraculous resurrection from the death of the Son of God. Even the Jewish Sanhedrin (Religious High Court) in Jerusalem admits that Jesus died there. In addition to the writers of the 4 Gospels and Josephus, the 1st century Jewish historian (see Antiquities 18-63) - the Jewish Babylonian Talmud (Sanhedrin 43a) of the Tannaitic period records: "On the eve of the Passover Yeshu [the Nazarene] was hanged". That means on a wooden cross. Also, a pagan historian named Thallus, who lived shortly after the resurrection of Christ (around 52 AD) wrote of a miraculous darkness that covered the earth during the Passover of 32 A.D. and attempted to explain it as an eclipse of the sun. Islam claims to be a religion of the people of the "Book", or Ahel al-Kitab, which would lead one to believe that it is a continuation of that Book which God revealed to His Jewish Prophets. If he were, he would not deny what is contained in that "Book", especially after having confirmed the authority of the Jewish Torah and the Christian Gospels. Satan has deceived Muslims into

misdirecting their prayers to a pagan Moon God! To be saved, you only need to know one name and it is NOT Allah! The name of Allah is nowhere to be found in the "book" (Torah or any Gospels of Jesus Christ). Indeed, it is an established archaeological fact that the cult of the moon-god was the primary religion of the ancient Middle East. But what about the Arabian Peninsula, where Muhammad (570-632) launched Islam? Over the past two centuries, eminent archaeologists have unearthed thousands of inscriptions that prove beyond a doubt that the dominant religion in Arabia in Muhammad's time was the cult of the moon-god. Indeed, for generations before Muhammad's birth, Arabs worshiped approximately 360 pagan deities housed in a stone temple in Mecca called the Kaabah. According to archaeologists, the main deity of Mecca was the moon god called al-ilah (meaning god or idol), which in pre-Islamic times was shortened to Allah. The pagan Arabs also used Allah in the names they gave themselves: Muhammad's father, "Abd Allāh ibn 'Abd al-Muttali", for example, had Allah as part of his name. Muslims are wrongly taught about the Trinity. The Trinity has nothing to do with how many gods there are. It only has to do with the nature of God and the three persons/natures that make up the one God. Christians we know that there is only one

God, but this God has 3 persons (Father, Son, Holy Spirit). This is a mystery. "Can a dog understand the nature of man?" Likewise, we only have evidence of the three natures of God. God is spirit and light. The Holy Spirit of God is present in all places at once. Muslims must overcome the lie that God cannot generate. For God definitely he did generate (create). He did it in the "book". Look at Genesis where God says; Genesis 1:26 (4000 BC / 4570 years before Muhammad): "And God said, Let us make man in our image...."

Proverbs 30:4 (700 BC / 1270 years before Muhammad): *"Who has ascended to heaven or descended from it? Who has gathered the wind into his fists? Who has bound the waters in a garment? Who has established them on all the ends of the earth? What is His name, and what is the name of His son, if you can tell?"*

(Psalm 2:11-12) *"Serve the Lord with fear and rejoice with trembling. Kiss the Son, so that He does not get angry and you do not perish on the way, when His anger will only flare up for a short time. Blessed are all those who trust in Him."*

"For God loved the world so much that he gave His only begotten Son whoever believes in Him shall not perish but have eternal life."

(John 3:16)

Muslims generally misconceive this term "begotten" to mean a literal, physical, sexual act between God and Mary. The Christian Church has never taught this. Islamic mullahs and imams are the ones who teach this lie to create confusion. "Begotten" here is not talking about physical birth. God created us with 3 distinct but completely separate "parts". But, nevertheless, it is true. We have a physical body, a spirit and a soul (intellect and will). If Muslims read their Quran, they would realize that Allah can and did not DO such a thing. Note: Begotten means "to come from" without necessarily being created. Before the beginning of time, Jesus, also called the Word of God and Logos, came from God the Father. Logos means divine Word of God; the second person of the Trinity (incarnated in Jesus). God is Spirit and loving in His light! How exactly Jesus and the Father are One is a mystery. Try to imagine two spotlights focused on the same point. These separate lights merge as one. Two examples of Father and Son as One: Muslims have this wrong view of Allah as a fleshly body. It is often for this

reason that Muslims cannot imagine God miraculously overshadowing Mary to conceive a child. The concept of “Only Begotten Son,” which means not created, but one and the same substance with the Father, usually escapes Muslims entirely.

***"And may the God of peace Himself sanctify you entirely;
and I pray to God that your whole spirit, soul, and body
may be preserved blameless until the coming of our Lord
Jesus Christ." (1 Thessalonians 5:23)***

To every Muslim, the One True God speaks these words to
you: ***"And ye shall seek ME, and find ME, when ye shall
search for ME with all your heart."*** (Jeremiah 29:13 KJV)

**THESE ARE THE WORDS THAT
JESUS CHRIST OF NAZARETH SPOKE:**

(1 John 2:22-23) *“Who is a liar but he who denies that Jesus is the Christ? He is the antichrist, who denies the Father and the Son. Whoever denies the Son does not have the Father; (but) whoever recognizes the Son also has the Father”.*

(1 John 5:12) *“He that hath the Son hath life: and he that hath not the Son of God hath no life.”*

(Matthew 7:15) *“Beware of false prophets, who come to you in sheep's clothing, but inwardly they are devastating wolves.”*

(Matthew 15:9) *“They worship me in vain, teaching the commandments of men as doctrines.”*

(Matthew 15:14) *“Let them alone! They are blind leaders. And if the blind lead the blind, both of them will fall into a pit.”*

(Matthew 24:24) *“False messiahs and false prophets will arise and show great signs and wonders, so as to deceive, if possible, even the elect.”*

In the Holy Bible Christians have been told to be on their guard and that the Antichrist will not only be a man who will appear shortly before the return of the Lord Jesus, but also a movement (Islam) that denies that Jesus Christ of Nazareth is the Son of God. Islam is adamant in its denial of the divinity of Jesus. It's easy to overlook, but followers of Islam place their eternal salvation entirely in the whimsical sayings of one man: the flawed and violent Muhammad. Christianity and Judaism are strongly supported by many different prophets and apostles of God. Furthermore, Christianity and Judaism abound with many miracles, all witnessed by crowds of people. Physical evidence such as 5,300 original manuscripts confirming the New Testament (Injeel) are still here to be read. The fact of the matter is; no individual or document can corroborate Muhammad's testimony. According to the prophecies, Muhammad simply made none! Muhammad only made a very vague statement (I suppose) that would hopefully be considered a prophecy. It was then that he said that in a few years the Romans would win a battle.

Neither the time nor the place was indicated. For all the signs that Muhammad was divinely inspired, **Muhammad twice admitted that he could not perform miracles!**

The Quran itself admits twice that Muhammad said he could not perform miracles (Surah 13:7 and Surah 17:90-94).

A true man or Prophet or Apostle of God must demonstrate his mission by performing miracles. All of God's prophets (**Muhammad performed none**) performed miracles to prove that they were speaking for the One True God. The Lord God Almighty would not have it any other way! Jesus' life on earth was full of amazing miracles. The Quran itself states in Surah 5:110 that Jesus Christ performed miracles. He forgets what is in the invented Hadith; **the Quran itself admits twice that Muhammad said he could not perform miracles (Surah 13:7 and Surah 17:90-94).**

Jesus makes it very clear that miracles are necessary to demonstrate that what we are talking about is of divine origin. Jesus said; *"If I had not done among them works that no one else has done, they would not have sinned; but now they have both seen and hated me and my Father"* (John 15,24).

Jesus of Nazareth made the deaf hear, the lame walk, the blind see, the mute speak. He multiplied 5 loaves of bread to feed 5,000 people, He healed lepers and many other people. sick people and raised the dead only with His Word. A woman was healed simply by touching the

garment of Jesus. Jesus walked on water, chased away demonic spirits, rose from the dead, and finally ascended to heaven before many witnesses. The ability to confirm one's oral proclamation with supernatural acts is what distinguishes the genuine from the counterfeit (The revealed Quran, page 216). The so-called "Prophet" of Islam lived an extremely sinful life of rape, pillage and murder for profit! Muhammad entire purpose for the Quran (Qur'an) was simply to increase his personal self-esteem, achieve higher status, and maintain discipline and cohesion within his gang of thieves. An apostle of God must be a good and just man as Jesus Christ was and Muhammad was not! Muhammad's inability to perform even a single miracle to demonstrate his connection to divinity forced him to establish his credibility in the Quran, with numerous threats to obey it and so-called revelations calling on Muslims to venerate it. 201 times in the Quran Muhammad needed to make sure everyone knew that he is the "Messenger of Allah". Typical of Muhammad's threats in the Quran is this in Surah 33:57: "Those who annoy Allah and His Apostle, Allah has cursed them in this world and in the Hereafter, and has prepared for them a humiliating punishment." **IMPORTANT FACT:** John the Baptist's primary role was not that of prophet, but of precursor. He was

in touch with divinity. His miracle in his life was to accurately prophesy and point out who the Son of God was, and is, and will be forevermore, AMEN!

HADITHS

Apostasy is punishable by death in Islam (from the Hadith): Muhammad said: "Whoever changes his Islamic religion, kill him." vol. 9:57 A Muslim should not be killed if he kills a non-Muslim. Muhammad said: "No Muslim should be killed for killing a Kafir" (infidel). vol. 9:50. Turkey admits that the Hadiths were invented. The Hadith is a collection of thousands of sayings believed to come from Muhammad. The Turkish state has come to see Hadith as an often negative influence on a society in a hurry to modernize. Turkish Muslim scholars claim that a significant number of the sayings were never uttered by Muhammad, and even some that now had to be reinterpreted. The forensic examination of the Hadith took place at the Faculty of Theology of Ankara University. An advisor to the project, Felix Koerner, says that some of the sayings - also known individually as "hadith" - may have been invented hundreds of years after Muhammad's death, to serve the purposes of contemporary society. Symptomatic of the state of Muhammad's soul during his life is the strikingly similar behavior towards the Cross that the demons demonstrated time and again. According to Al Waqidi, Muhammad would break everything that was brought into the house with a shape of the Cross on it. Furthermore, Ahmad ibn Hanbal (855 AD) said that

Muhammad foamed at the mouth during prayer. Christians should immediately recall the apostle Mark's account of Jesus of Nazareth casting out a demon from a possessed boy. This demonically possessed boy also exhibited this "foaming at the mouth" symptom. More than eight hundred million human beings confess Islam, the religion founded by Muhammad. There is no more militant movement on earth equal to Islam. **No religion teaches hatred more than Islam!** Jesus said, "Many false prophets will arise and deceive man." Islam has managed to turn billions of people away from the true Word of God, and not simply by distracting from the truth. But also for its total denial of the truth. Here's an interesting fact from January 2007 about a British TV show where undercover "Muslims" were sent to mosques for a period of 12 months and what was said was recorded. Among other things, it showed Muslim clerics in some of Britain's major mosques urging followers to prepare for jihad, hitting girls for not wearing hijabs and to follow Islamic law over British law. Some are seen praising the Taliban. Responding to the news that a British Muslim soldier had been killed fighting the Taliban, one Muslim declared: "The hero of Islam is the one who separated his head from his shoulders."

On Wednesday the 22nd of May, 2013 in England, a British soldier (Lee Rigby) was hacked to death by two black men shouting Islamic slogans in a south London street, in what the government said appeared to be a terrorist attack. A dramatic clip filmed by an onlooker just minutes after the killing showed a black Islam man with hands covered in blood, brandishing a bloodied meat cleaver and a knife, and shouting out: ***“We swear by almighty Allah we will never stop fighting you. The only reason we have done this is because Muslims are dying every day,” the black man in his 20s or 30s, wearing a wool jacket and jeans and speaking with a local accent!”***

Another speaker said that Muslims cannot accept the rule of non-Muslims. “You cannot accept kaffir rule,” Dr Ijaz Mian said during a meeting held inside a mosque. “We must govern ourselves and we must govern others!” (Surah 9:5) - But when the forbidden months are passed, then fight and slay the heathen wherever you find them, and capture them, besiege them, and ambush them in every stratagem (of war); (Surah 8:39; 9:5; 9:29: 47:4) - in the Muslim Koran there are 'divine' commandments to persecute Jews and Christians, defeat them in battle and then deliver them to slavery or death. (Surah 8:39; 9:5; 9:29: 47:4) - in the Muslim Quran there are 'divine' commandments to persecute Jews and Christians, defeat them in battle and then deliver them to slavery or death.

April 27, 2007

Prayer by Sheikh Ahmad Bahr, interim president of the Palestinian Legislative Council, said during a Friday sermon at a mosque in Sudan that America and Israel will be annihilated and called on Allah to kill Jews and Americans "every last one." "Oh Allah, defeat the Jews and their supporters. Oh Allah, count their numbers and kill them all, every last one. Oh Allah, show them a day of darkness. Oh Allah, who sent down his Book, the mover of the clouds, who defeated the enemies of

the Prophet, defeated the Jews and the Americans and brought us victory over them." Jesus Christ never spoke of another true prophet to follow Muhammad, and Islam tried in vain to gain legitimacy over other, older religions by creating a scene in which former prophets accept the mastery of Muhammad. Muslim counselors often deliberately claim that Jesus spoke of Muhammad as the prophet that he would do this by following him, or that Muhammad was the "Comforter" that Jesus promised would come. The references that Muslims cling to in vain in this regard are mentions of a Comforter who will follow Jesus in John chapters 14, 15 and 16. Both are more Islamic lies! Jesus warned us that false prophets (Muhammad) with false Gospels (Quran) would follow Him and try to deceive many. The Comforter Jesus spoke of was the Holy Spirit who filled the Apostles as they gathered for Pentecost. While they were gathered together they all began to speak in foreign languages. That day the Comforter/Holy Spirit/Ruach HaKodesh also imparted the ways of God to Mary, the Apostles of Jesus, and about 120 other Disciples. Three thousand entered the Church that same day. The followers of Jesus Christ then immediately took Him seriously and went out and began preaching the Gospel. **The Comforter was NOT Muhammad.** In John 14:26 the

comforter is specifically identified as the Holy Spirit whom the Father will send in the name of Jesus Christ. There is no mention of Allah, Muhammad or any prophet following Jesus in any Christian or Jewish holy book. Jesus told us that there would be only one more revelation of truth that would come after Him. John 14:17, 16:7 and 13 tell us that Jesus said that a "Spirit of truth" (not a man - a Spirit), the Comforter would come after He Himself was gone. This Comforter was to guide us "into all the truth." Then there would be no truth left that would be sealed or hidden. ***"But the Helper, which is the Holy Spirit, whom the Father will send in my name, he will teach you all things, and will remind you of everything that I have said to you"*** (John 14:26). The "Comforter" refers to the Holy Spirit who descended upon the Apostles of Jesus at Pentecost, just as Jesus Christ Himself said. Muhammad himself twice admitted that he could not perform miracles. In fact, nowhere in the Quran does Muhammad perform even one miracle. So, for Muslims to claim that he performed miracles when the Quran itself states that he did not perform them, are simply lies! There are no miracles of Muhammad recorded in the Quran, but when Muhammad's followers saw Muhammad's inferiority to Jesus they began to invent some in the Hadith: Muhammad cut the

moon in half with a sword, a palm tree cried like a child because Muhammad did not preached under it, Muhammad made water flow from his nails so that people could drink - the Hadith contradicts itself on how many people supposedly drank it. These invented "miracles" go on and on. Furthermore, the Hadith makes it clear that Muhammad was a sinner, NOT sinless as some Muslims now claim: "Muhammad replied..."O Allah, separate me from my sins..." Volume 1, number 711. The Hadith, Bukhari, Vol 2, No. 167 "The sun was eclipsed and the prophet jumped up in terror that it might be the Hour (of Judgment)." (Surah 17:90-94) - of the Koran tells how, **when Muhammad was challenged to perform a miracle and demonstrate that he came from the true god, he failed to perform any and here he himself says: "*I am nothing other than a man, a messenger?*"** (In Surah 13:7) - we find that Muhammad did not perform any miracles. People say that even just one sign would be enough to convince them, just one miracle performed by Muhammad, and yet he still doesn't perform any. Non-believers have always asked Muhammad to perform a miracle so that they could believe. All they got in response was: - Surah 17:90 They say: "We do not believe in you at all until you make

a fountain flow for us from the earth.” And Muhammad would reply:
(Surah 17:93) - Say: ***"Am I anything other than a man, a messenger?"***
Muhammad did not perform miracles. He did not heal the sick, he did not raise the dead, he did not cast out demons, nor did he dominate the wind and waves. He had no more power than any normal man. The famous Iranian scholar Ali Dashti comments: Muslims, as well as others, have ignored the historical facts. They have continually tried to make this man [Mohammed] into an imaginary superhuman being, some sort of God in human clothing, and have generally ignored the ample evidence of his humanity. They were ready to present these fantasies as miracles. Muhammad even disqualified himself as the true prophet of God. (Surah 29:27) - clearly states that, as far as Allah and the Quran are concerned, the only true prophets are those related to Isaac (Ishaq) or Jacob (Yaqoub); however, Muhammad, according to Muslim tradition, is related to Ishmael and not to Isaac or Jacob. The true God (Yahweh) chose to establish His alliance with Abraham and Isaac, son of Sarah, rather than with Ishmael, son of the slave Hagar. God informed Abraham a full year before Isaac's birth that He would perpetuate his covenant through Isaac, not Ishmael! This choice of Isaac by God is mentioned 5 times, beginning in Genesis 17:18-21.

Both God and Abraham cared for young Ishmael. But God only promised to make Ishmael's descendants a great nation. Yet, who adopted this false Islamic god, Allah? Ishmael! In fact, an important Islamic holiday called Id-al Adha celebrates Abraham's false quasi-sacrifice of Ishmael in Mecca. Although there is nothing in the Scriptures to suggest that Abraham ever set foot in Arabia. Here lies another prophetic truth! God rejected Ishmael and Esau because they were "wild asses" (Genesis 16:12) and men of the sword (Genesis 27:40). The Lord God Almighty, however, promised to make Ishmael a great nation (Arabs). Who can deny that Islam, with its roots in Arabia, has not always behaved like a psychotic "wild ass" and "man of the sword"? A few years ago a hostile and violent "Cartoon" clash with demonstrations of Muslims around the world came to mind. However, nothing of the sort happened in Christendom after Dan Brown published his best-selling book of lies known as the "Da Vinci Code." No prophet of God was ever subject to epileptic seizures and uncertainty. Muhammad was... We know from Islamic historians that many of Muhammad's wives believed that he was a prophet of Allah, in part, because Muhammad often went into epileptic delusions and foaming. to his mouth, while receiving his "revelations". Furthermore,

unlike all of Israel's true prophets, Muhammad went through prolonged periods of time in which he himself thought he had gone mad or was possessed by demons. The Jewish prophets never behaved like this. The Jewish prophets were certain that God (Yahweh) was speaking to them. What can one think rationally about the almost annual suicide bombings by Muslims, and the real Muslim psychosis of thinking that they will kill every Jew, and then every Christian, Hindu and every other non-believer, who does not convert to Islam? I advise Islam to read the true "Book, the Holy Bible" which says in Jeremiah (Prophet Jeremiah) that "there will be no more Jews on the face of the earth when the moon, sun and stars no longer shine." A true chosen, called, appointed and anointed Prophet must make prophecies, but Muhammad did not perform miracles. He did not heal the sick, he did not resurrect the dead, he did not cast out demons, nor did he control the wind and waves! He had no more power than any normal man. The famous Iranian scholar Ali Dashti comments: Muslims, as well as others, have ignored the historical facts. They have continually sought to transform this man [Muhammad] into an imaginary superhuman being, a sort of God in human clothing, and have generally ignored the ample evidence of his humanity. They were

ready...to present these fantasies as miracles. 100% accuracy is expected from the True God. The Quran is undoubtedly filled with many serious scientific, historical and theological errors. The Islamic Quran (Koran), unlike the Judeo-Christian Bible, is written in a deliberately misleading style. The only joy Muslims find in reading the Quran is that of its poetry and the fact that they believe it is from God. Nothing in the Quran will save you from your sins or point you to eternal life. The Quran is written in an esoteric, mysterious and vague style. His rhythmic prose and the tinkling sound of words bring great joy to Arab ears. It is also written in an incorrect, arbitrary and haphazard order, as if the uninspired human being, Muhammad, had died before putting it together properly. In addition to countless repetitions and redundant exclamations, the Quran meanders from one idea to another, without any real connection between them. It seems like a lot of uninspired and uneducated men are taking their anger out on many things. The only book I know that surpasses the Quran in deliberate tediousness, false claims, and inconsistency is the Book of Mormon. It is quite obvious to any reader of the Quran that Muhammad had no idea of the role that the Jewish Messiah (Jesus the Christ) was supposed to play in God's plan of salvation. The Quran is a

ticket out of mediocrity: Muhammad lived in the “ full light” of history. And recorded history tells us that Muhammad was a simple preacher who became a fanatical warlord in the process of conquering Mecca and Medina. Just casually leaf through the Muslim Quran and the voluminous Hadiths – the Traditions or Accounts of what Muhammad said and did. In these cases it is evident that the so-called prophet of Islam was cruel, ignorant and lewd. Islamic historical documents tell us that after massacring Arab tribesmen and plundering their camels, Muhammad and his followers kidnapped their women and staged an orgy of rape. A Hadith explains: "We desired them, because we were suffering from the absence of our wives, but at the same time we also desired redemption for them. So we decided to have sexual intercourse with them by observing 'azl' [coitus interruptus]. But we said: we are performing an action while the Messenger of Allah is among us; why not ask him? So we asked the Messenger of Allah.....and he said: "It doesn't matter if you don't do it, because every soul that must be born until the day of the Resurrection will be born." To the men of a Jewish tribe, Muhammad offered the choice between conversion to Islam or death. When they refused, around 900 were beheaded in front of their women and children. “Truly Allah's

judgment was pronounced from above," was Muhammad's comment. The women were subsequently raped. Once begun, the Quran took on a "life" of its own, because Muhammad saw how it grew into a position of power before him and his band of murderous and thieving followers. The Quran is also the feeble attempt of an uneducated man (Muhammad) to bring together Christian and Jewish theology. Throwing pieces of his limited knowledge of what he had learned about the Christian and Jewish religions provided Muhammad with a way to further elevate himself before his listeners. In the Christian/Jewish Bible there are literally hundreds of prophecies, all made in the name of God. There are over 300 predictions about the coming of Jesus -- in detail. Yet in the Quran there is only one prophecy, and that is in Surah 30:1-4. In this jewel of a Surah we are told that the Roman Empire existed in defeat but that "in a neighboring land" the Romans will be victorious again "in a few years." Think about it for a minute! The "prophet" Muhammad did not give any signs, did not perform a single miracle and only made a vague, spoken "prophecy" that in the coming years the Romans of the 7th century, who were still quite strong militarily, would have a victory. Not exactly earth-shaking powerful stuff, given that the Romans practically

conquered the entire earth in their military campaigns? 100% accuracy is expected from the True God. The Quran is undoubtedly filled with many serious scientific, historical and theological errors. The Islamic Quran (Koran), unlike the Judeo-Christian Bible, is written in a deliberately misleading style. Muhammad lived in the “full light” of history. And recorded history tells us that Muhammad was a simple preacher who became a fanatical warlord in the process of conquering Mecca and Medina. Just casually leaf through the Muslim Quran and the voluminous Hadiths: the traditions or accounts of what Muhammad said and did. Upon their refusal, about 900 were beheaded in front of their women and children. "Truly the judgment of Allah has been pronounced from above," was

Muhammad's comment. The women were subsequently raped. Once begun, the Quran took on a "life" of its own, because Muhammad saw how it grew into a position of power in the face of his gang of thieving murderous followers. The Quran is also the feeble attempt of an uneducated man (Muhammad) to bring together Christian and Jewish theology. Throwing here and there pieces of his limited knowledge of what he had learned about the Christian and Jewish religions provided Muhammad with a way to further elevate himself before his listeners. Ample evidence suggests that before Muhammad began raping, killing, and plundering for profit, he was considered a madman, especially by Jews, Christians, Arabs of Medina and Mecca, and Hindus. The Jews declared disgust with a prophet whose chief concern was his harem of many wives. Most Jews, however, incurred Muhammad's wrath when they refused to join his terrorist band of Muslims, primarily because the Jews could not reconcile their fundamental belief supported by Scripture. That is, that God would never send a prophet who was a descendant of Ishmael instead of one of the line of Isaac. God had already made the choice for him to make a covenant with Isaac and his people. During his first 13 years of preaching his message in Mecca, Muhammad was not moved to

violence. He was also in fact tolerant and collaborative; even in the face of the Meccan boycott against him and his new converts. After Muhammad moved to Medina, however, Muhammad transformed into a violent, cruel, lustful, and intolerant man, who personally led raids against innocent caravans. Starting from Medina, Muhammad spread Islam militarily. Muhammad accompanied his terrorist army on 27 raids. Muhammad, the non-prophetic warrior who made no prophecies, fought in 9 of these raids: Badr, al-Mustaliq, Hunayn, Uhud, al-Khandaq, Qurayza, Khaybar, al-Ta'if and the occupation. Muslim success in battle (Ghazi) was not due to any Allah, but was primarily due to a new military technology that Muslims were quick to latch on to. The simple stirrup allowed the full power of a galloping horse to be put behind a curved sword. The Chinese used a fabric ring stirrup with a metal brace to support the rider's entire foot as early as the 5th century. Muslims learned how this simple device allowed a small band of terrorist raiders to conquer large areas. On top of that, these early Muslim terrorists were highly motivated because they were promised 80% of everything they looted. Muhammad himself ensured that Allah came down with a Surah authorizing him the remaining 20% (1/5) of all the spoils. Being a Muslim terrorist was as good then

as it is today. It is a highly profitable full-time occupation for inexperienced, often illiterate and brainwashed men. Since Muhammad thought that the "People of the Book" (Jews and Christians) also claimed allegiance to this same God he invented, Muhammad's early recitations on Christianity and Judaism in the Quran were irenic (tended to promote peace; conciliatory) : "O believers, be God's helpers, as Jesus, son of Mary, said to the apostles: "Who will be my helpers with God?" The Apostles said: "We will be God's helpers" (Surah 61:14). When Muhammad began to preach his new religion in Mecca he was conciliatory and compliant with the Christians. He said to them, "We believe in what has been sent down to us and sent down to you, our God is the same as your God." Surah 29:46. And in Surah 2:62 it says; "Surely those who believe, and those who are Jews, and Christians, and the Sabeans, whoever believes in Allah and the Last Day and does good, will have their reward from their Lord, and there is no fear for them, nor do they grieve." Later, as Christians and Jews treated this self-proclaimed prophet with contempt, recitations regarding the "People of the Book" (both Jews and Christians) became more bellicose: compare this with what happened later, in Medina, after Muhammad gained strength and

strength. Christians refused to follow Muhammad's Allah. Allah then tells him to "Fight those who do not believe in God nor in the Last Day... Nor do they recognize the religion of truth (Islam), (even if they are) of the people of the Book, until they pay the Jizya (tax) with voluntary submission and feel themselves subjugated". (Surah 9:29)

"And the Jews say: Uzair (perhaps Ezra) is the son of Allah; and the Christians say: The Messiah is the son of Allah; these are the words of their mouth; they imitate the saying of those who disbelieved before; may Allah destroy them ;" (Surah 9:30); and (The difficulty with Surah 9:30 above is with Uzair/Ezra, is the fact that no historical evidence can be adduced to prove that any Jewish sect, however heterodox, ever adhered to such a principle. What reasons were there for the accusation? No Jew ever thought that Ezra was the Son of God. It is probably another figment of Mohammed's imagination.) In his book "Islam and Terrorism", the former professor of Islamic history at Al-Azhar University, Cairo, Egypt (pseudonym: Mark A. Gabriel, PHD) says on page 5-6: "Even the prophet of Islam, Muhammad practiced his faith in many ways that contradicted the Quran. The Quran states that Muhammad was sent to show God's mercy to the world. But he became a military dictator, attacking, killing, and

plundering to finance his empire. Where is Muhammad's mercy? Mark A. Gabriele, PHD further writes: Allah, the god revealed in the Quran, is not a loving father. He says that he wishes to lead people astray (Surah 6:39, 126; 43:36-37). He does not help those who are led astray from him (Surah 30:29) and wishes to use them to populate hell (Surah 32:13)". So, the Quran says that the god of Islam works with Satan and demons to lead people astray. Jesus of Nazareth is the "Good Shepherd" and the God of Love, who does not lead people astray! Because the True Word of God must be infallible! The Jewish and Christian Bible has been carefully examined and found to be error-free by prominent evangelical scholars throughout the ages, as you would expect a God-inspired book to be! The Quran was written 500 years after the completion of the Christian Bible. If it too is truly a book inspired by God, it too should be as infallible as the Jewish and Christian Holy Bible. If you expect the Quran to be as internally consistent and factually correct as the Jewish and Christian Bibles are, you are wrong. Some examples follow: The Islamic Quran has been modified. Today the Islamic Quran (Koran) is composed of 114 chapters called Surah's and then divided into verses. In the time of Muhammad's wife A'isha, one chapter of the Quran (the Surah)

contained approximately 200 verses. Shortly after her death, this Surah had only 73 verses. Muslims say 127 verses of the original text were lost and have never been found. Furthermore, after the sudden death of Muhammad, Zaid-ibn-Tabith was ordered to compile and write the Quran (Mishkat Ul Masabih). It is attested that at least three revelations were left out. One of these, according to Muhammad's wife A'isha, with whom he resided at the time of his death, was kept under the bed at the time of Muhammad's death, but was eaten by a domestic animal (a goat). When Uthman compiled the Quran, the missing verses could not be found. One of these was called the Stoning verse and is said to contain the command to stone a man or woman who had committed adultery... This verse is said to have been part of the original Quran. Many early authorities affirm this, and what is very significant is that the early caliphs punished adulterers by stoning; this is still the punishment prescribed in Muslim legal texts, while the Koran (Surah 24:2) prescribed one hundred lashes." **WHO IS USING ISLAM TO POPULATE
HELL?**

"For God loved the world so much that He gave His only begotten Son, so that whoever believes in Him should not perish but have eternal life. For God did not send His Son into the world to condemn the world, but so that the world through Him may be saved. Whoever believes in Him is not condemned; but whoever does not believe is already condemned, because He has not believed in the name of the only begotten Son of God." (John 3:16-18)

The Quran claims to be free from internal discrepancies. "Will they not reflect on the Koran then? If it came from anyone other than Allah they would have found many inconsistencies in it." (Noble Quran Surah 4:82) Surely, nothing less than perfect is expected from God. But let's take a journey through the Quran and look at the evidence against this claim. Islamic scholars in Egypt and Saudi Arabia agree with Muhammad that lightning and thunder are two angels. Muhammad, the prophet of the Muslims, states that thunder and lightning are two angels of God, exactly like Gabriel! Baydawi comments on verse 13 of the Thunder chapter in the Quran: "Ibn Abbas asked the apostle of God concerning the thunder. He said to him: 'It is an angel who is in charge of the cloud, who (brings) with

him tricks of fire with which he drags the clouds." The Quran teaches that the world is flat. This doctrine is still believed today by a large number of Islamic scholars. The Jewish/Christian Bible revealed the earth to be round in Isaiah 40:22 and through Job (26:7). Speaking of God in Isaiah 40:22, the Jewish/Christian Bible says: *"It is He who sits above the circumference of the earth, and its inhabitants are like locusts, who stretches out the heavens like a tent and spreads them out like a tent to dwell in. Isn't it strange that the Bible said the earth was a "circle" , even when everyone believed the earth was flat."* Job 26:7 says, *"He stretcheth out the north over empty space; he hangeth the earth over nothing."*

In many places, the Quran alludes to the fact that the earth is flat and its mountains are like poles that create a balance so that the Earth does not tilt. See Quran, (Surah 79:30) (And then He (Allah) flattened the Earth); and 18:47 (and you will see the earth as a level plain). The Quran teaches that the sun sets on the earth in a muddy spring. According to (Surah 18:86), the sun literally sets in a muddy spring or a black sea here on Earth, and (Surah 18:90) mentions a specific place on Earth where the sun rises. Many Muslims try to say this nonsense

"oh, this is poetic ". Nice try, it cannot be dismissed as figurative or poetic language, because it is given as part of a historical narrative. The Quran says that one of the righteous men of God's servants saw the sun setting in a certain place on the earth, specifically a well filled with water and mud. There, this man found some people. Let's read what is reported in the Koran (chapter "The Cave", Surah 18 verse 86). "Until he reached the place where the sun set, he found it descending into a black sea, and he found people there. We said: O Zulqarnain! Either give them a punishment or do them a benefit." Zamakhshari observes in his book, "the Kash-shaf", "Abu Dharr (one of Muhammad's close companions) was with Muhammad during the sunset". Muhammad asked him: 'Do you know, O Abu Dharr, where this is set?' He replied, 'God and the apostle know better than him.' Muhammad said: "He sets in a spring of slimy water"" (3rd edition, volume 2 p. 743,1987). Why were stars created? In (Surah 67:5) we read that the stars were created to be hurled devils (Shaitan). If the Quran is a true miracle of God, then why is it so confused with historical, scientific and other errors, including simple mathematics? Wouldn't we expect an omniscient Allah to be a better student of history, science and mathematics? In his book "The Lights of the

Apocalypse" (p. 399), Baydawi indicates: "The sun sets in a slimy spring; that is, a pit containing mud. If there is only one error in the Quran, how can it be inspired by God? Muhammad had obviously heard some stories from the Holy Bible, but he appears to have confused and mixed them up as they came out in his prophetic utterances. It is quite evident that the Koran is simply the product of hearsay and imperfect revisions of a plurality of traditions then known to Muhammad. Muhammad had obviously heard some stories from the Bible, but he appears to have confused and mixed them up as they came out in his prophetic utterances. It is quite evident that the Koran is simply the product of hearsay and imperfect revisions of a plurality of traditions then known to Muhammad. The cousin of Muhammad's first wife (Khadija), Waraga bin Neufel, was a pastor of the Ebionite church in Mecca. The Ebionites taught that Jesus was just a man who became the Christ through His perfect observance of the Law of Moses. This heretical pastor actually celebrated Muhammad's wedding to his first wife, a Christian named Khadija. Furthermore, many reports indicate that only the Gospel of Matthew was translated into Arabic during this period. This information is provided to show you where the human Muhammad likely got his false teachings about

Jesus, the Trinity, and Christianity. In a mental "disconnect", Muslims admit that Jesus was supernaturally born of a virgin (Mary), and performed many miracles (which Muhammad admitted twice in the Quran that he could not do) to show His divinity. Yet Muslims, under the influence of Satan, claim that the Messiah Jesus Christ was not divine. The stories in the Quran relating to the events described in the Holy Bible contradict the Bible in many places. It is quite evident that Muhammad took much of what he taught from the Samaritan Pentateuch and the Psalms. Muhammad, however, shows no knowledge of their prophetic or historical writings. The formula "There is no God but the One" is an often recurring refrain in Samaritan liturgies. The similarity with the Muslim proclamation "There is no God but Allah" is very interesting. Also note that the opening chapter of the Quran is known as the Fatiha (meaning opening or door). The Samaritans also have a prayer which is also considered a concise confession of faith which begins with the words: "Amadti kamekha al fatah rahmekha". This means "I stand before you at the door of your mercy." The Samaritan word for the opening or gate is "fatah". In Surah 18:10-27 we see that Muhammad regurgitates the Rip Van Winkle-like early Christian myth/legend that historians know as

the "Seven Sleepers of Ephesus" around 250 AD. There is a legend about 7 noble young Christians who collected waste in a cave while fleeing persecution during the reign of the Roman emperor Decius. Their lives were miraculously saved as they fell into a deep sleep for almost 200 years. Typical of Muhammad's inattention to any literary or historical detail, the Surah of Muhammad puts them to sleep for 300-309 years. Surah 18:25 - So they remained in their cave three hundred years and (some) added nine (more). Behold, the young men went to the cave: they said: "Lord, give us mercy from you and arrange our affairs for us in the right way!" Then We spread (a veil) over their ears, for a certain number of years, in the Cave, (so that they would not hear - (Surah 18:10-11). (Surah 2:87, 3:50, 5:44, 5:46 and 29:46) we are told that Muhammad is given the Quran as confirmation of the Jewish/Christian Bible; that is - it is intended to prove the authenticity of the Bible.... In (Surah 46:12) we are told... "And before it the Book of Musa (Moses) was a guidance and a mercy: and this it is a verification book in the Arabic language." However, the historical, scientific and simple mathematical errors in the Quran that differ from the already confirmed Jewish/Christian Bibles are completely careless, foolish and devoid of any touch of divinity, as you will see.

Furthermore, the disturbing thing about the Quran is that it makes no attempt to be a linear story. The Koran appears put together almost haphazardly and without logical sequence, except that only the largest Surahs are at the beginning. While the Jewish Pentateuch (the first 5 books of the Hebrew Bible) is a continuous narrative from the beginning of the world until the entry of the Jews into the Promised Land. Never completely trust any English or non-Arabic translation of the Quran. Muslim apologists love to take advantage of non-Arabs' ignorance of the Arabic language to deceive people. In the Arabic text, many verses of the Quran are very harsh, very illogical, very bloody and very scientifically incorrect. Therefore, trust the harshest, most illogical, bloodiest and most scientifically incorrect translations; because these are the most honest translations. Something Muslims won't tell you is that the Arabic language isn't all that "pure." Syriac words occur in the Qur'an, such as *masih* (Messiah) in (Surah 3:45), *furgan* (salvation) in (Surah 2:50), and *istabraq* (silk brocade) in (Surah 76:21) (1988, Shorosh, page 199) Muhammad probably never knew God's true name. In the Torah/Old Testament, which the Quran claims to uphold, God gives us another condition that a true prophet must fulfill. A true prophet must prophesy in the name of the one true

God. He must use the unique name of God. **The unique name of God in the Bible is YHWH (pronounced Yahweh) and is mentioned 6,823 times in the Holy Bible.** Muhammad never used God's real name even once, suggesting that he never knew it. It seems that even Muhammad did not know this. For Muhammed the false prophet who history never records of him actually performing any miracles, signs or wonders, also told the Jews to call him the **"I AM"**, this is blasphemy!!!

NOTABLE ERRORS IN THE QUR'AN

- In (Surah 2:249) Muhammad confuses the persons of Saul (Talut) and Gideon. See: Judges 7:4-7
- In (Surah 26:54) the Israelites were said to be "a scanty band" (small band); far inferior to the Egyptians. But in Exodus 1:7-10 the Egyptian king told his people that the Israelites had become "greater and more powerful than us". Exodus 1:9 speaks of the Jews as a multitude.

The Quran implicitly confuses Moses' sister (Miriam) with Mary, the mother of Jesus, 3 times. And Muhammad seemed to think that Jesus was Moses' nephew, the son of Moses' sister Mariam. Mary, the mother of Jesus, and Miriam, the sister of Moses, actually lived about 1,500 years apart. The entire chapter 19 is dedicated to Mary (Maryam), the mother of Jesus in the Quran. (Surah 19:28), "O sister of Aaron! Your father was not an evil man, nor your mother an unchaste woman!" The (Surah 66:12) calls Mary 'daughter of Imran'. Imran is the Arabic form of the Hebrew Amram mentioned in Numbers 26:59 as the father of "Aaron, Moses and Miriam". The title "sister of Aaron" is given to Miriam in Exodus 15:20. (Surah 3:35-36),

Amram's wife said, "My Lord, I have dedicated (the child) to You in my womb, totally, so accept it from me. You are Hearer, All-Knowing." How many angels were talking to Mary? When the Quran speaks of the announcement of the birth of Jesus to the virgin Mary, (Surah 3:42,45) speaks of angels (plural) while in (Surah 19:17-21) there is only one. The Christian Bible clearly pointed to an angel; "In the sixth month, the angel Gabriel was sent by God to a town in Galilee called Nazareth" (Luke 1:26).

- Jesus taught people even in His "old age." (Surah 5:110). Jesus actually ascended into heaven while He was about 30 years old.

You remember the evil Persian Haman who conspired to kill all the Jews during the time of Esther's Babylonian captivity (circa 500 BC). In the Quran, Muhammad erroneously taught that this evil man Haman was the prime minister of the Egyptian Pharaoh (Pharaoh) in the time of Moses (1450 BC). See (Surah 28:4-6, 28:38-39, 29:39, 40:23-24 and 40:36-37) . Throughout the Quran: Nimrod and Abraham, Haman and Moses, Mary and Aaron, the Tower of Babel (2500 BC), and

Pharaoh were all depicted as living and working together. Moses and the flood are also mistakenly found together. Muhammad thought that all of this happened at the same time. Muhammad in the Quran always mixed people who did not live at the same time. See (Surah 21:51-76; and 29:15-16). Moses and the flood are also mistakenly found together. Muhammad thought that all of this happened at the same time. Muhammad in the Quran always mixed people who did not live at the same time. See (Surah 21:51-76; and 29:15-16). Muhammad also confuses the Tower of Babel in this outburst, which is found in (Surah 28:38-39 and 40:36-37): And Pharaoh said: O leaders! I don't know that you have a god other than me, so light (a fire). O Haman, to bake the mud and build a high tower that I may behold the god of Moses; and here! I consider him one of the liars. And he and his hosts were haughty in the land without right, and believed that they would never be brought back to us (Surah 28:38-39). And Pharaoh said: O Haman! Build me a tower so that perhaps I may reach the streets, the streets of the heavens, and may look upon the God of Moses, though in truth I think him a liar. Thus the evil he did was made right for Pharaoh, and he was prevented from following the (right) path. Pharaoh's plot ended but in ruins (Surah 40:36-37). And what about

Noah's son (Nuh)? According to (Surah 21:76), Noah and his family were saved from the flood, and (Surah 29:15 and 37: 76-77) confirm that his seed survived. But the (Surah 11:42-43) reports that Noah's son drowns.

- The (Surah 7:59 and 7:136) say that Noah's flood took place in the days of Moses. **Did someone tell Moses this?**
- The (Surah 14:37) says that Abraham lived in the valley of Mecca (the Muslim Holy House). The Holy Bible says he lived in Hebron, Israel. (Genesis 13:18, 23:2, 35:27)

(Surah 2:61) In this beauty, Moses is told about the prophets who were killed in Moses' time. Yet there were no prophets killed in the time of Moses. Moses was the first prophet. (Noble Qur'an) PICKTHALL:
And when ye said: O Moses! We are tired of one type of food; SO call upon your Lord for us to produce for us what the earth grows: its herbs, its cucumbers, its corn, its lentils and its onions. He said: Would you exchange what is higher for what is lower? Go down to an established country, so you will get what you ask for. And humiliation

and misery were impressed upon them and they were visited by the wrath of Allah. This was because they did not believe in the revelations of Allah and killed the prophets unjustly. This was for their disobedience and transgression. The (Surah 9:30) erroneously states that the Jews believed that Ezra was the Son of God, the Messiah, just as the Christians claim for Jesus. No Jew has ever believed this. The (Surah 6:74) says that the name of Abraham's father was Azar. The Holy Bible says he was Terah (Genesis 11:27). How can Muhammad claim to have verified the truth of the Torah that came first, yet differ from the facts contained in the Torah? The (Surah 9:10) says that Zakarias remained mute for only 3 days. The Bible says that Zechariah, the father of John the Baptist, was rendered mute because of his unbelief regarding Gabriel's prophecy of John's birth. He would remain mute until the child was born (Luke 1:20), which is about nine months. Islam says it was Ishmael who was almost sacrificed on the mountain rather than Isaac, as both the Torah and Christian Gospels say. Islam says that Hagar was the legitimate wife (and not a concubine) of Abraham, rather than Sarah; therefore Ishmael was Abraham's heir. But wait! Muhammad had already attested that the Holy Bible and the Torah were correct. So why these huge errors? Of

note: After the death of Muhammad, the Meccans (Waraqah) changed the name Isaac in (Surah 2:125 and 127) to the name Ishmael and invented the story of Abraham taking Ishmael to their black rock in Mecca, so that pilgrims continued to visit Mecca.

- (Surah 5:72), The Quran falsely teaches that Jesus is not the Messiah. The Holy Injil says he is!!!

Muhammad never understood the Trinity (Father/Son/Holy Spirit): (Surah 116, 4:171, 5:73-75), Muhammad mistakenly thought that the Christian Trinity was composed of 3 gods: the Father, the Mother (Mary) and the Son (Jesus). This is based on Muhammad's misunderstanding seen in (Surah 5:119). Furthermore, in the last of all the Surahs we read: O Jesus, Son of Mary, did you say to humanity 'Do you take me and my mother as two Gods next to God? 'He will say: "Glory to you! it is not up to me to say what I know is not the truth." There is no way for Muslims today to escape the fact that the Quran actually contains this grave theological error. The Holy Bible shows that there is a Trinity (Matthew 28:19, 1 John 5:7). To make things much worse for Islam. In the Quran where Allah speaks, he says

"We", "Us", "Our" more than 100 times! Showing again and again that God is not just one person, but several people in one divine being. It shows that the light of Jesus is the same as that of the Father. And that **only Jesus is our Mediator with the Father GOD.** Everyone (Christians, Jews), Muslims, Hindus, etc.) have sinned. So everyone on planet earth requires a Mediator! (Surah 7:8–9 and 21:47) teach Muslims that salvation is determined by good works. Freemasons also teach this erroneous and very harmful theology. The Gospel of Jesus firmly holds that we are saved by faith alone, not by works (Ephesians 2:8–9). Sure, the Holy Bible says we must do some things to obtain salvation, such as repent (Acts 2:38), confess Jesus (Romans 10:10), and be baptized in water (Acts 2:38), but it is our job to continue faith in Jesus Christ of Nazareth as our only Mediator who saves us! This is not to say that we do not need works: we must have works to support our faith (James 2:26). **However, we are not saved by our works, but we are saved by our faith and by the grace of the Lord Jesus Christ!** The (Surah 28:8-9) says that she was the wife of Pharaoh who adopted Moses. The Holy Bible says she was Pharaoh's daughter in Exodus 2:5-10. Paradise has a garden. (Surah 39:73, 41:30, 57:21, 79:41). Paradise has many gardens. (Surah 18:31, 22:23, 35:33,

78:32). Even the name of Jesus in the Quran is incorrect. The name of Jesus in the Quran is given as "Issa". Issa is the Arabic equivalent of Esau, the name of Jacob's twin brother. The correct Arabic name for Jesus would be Yeshua or Yeshua. The names "Jesus and John" were among the most common names in Israel at the time of Jesus the Messiah. The name John was quite common in ancient Israel. However, speaking of John the Baptist, a contemporary of Jesus, the Quran says in (Surah 19:7) that the name John (Yahya) had not been given previously. But in the biblical book of Ezra it goes back to a time much earlier than that of John the Baptist, we read; "And of the sons of Azgad; Johanan (John) the son of Hakkasan." The name John is also mentioned before John the Baptist in: 2 Kings 25:23 and Jeremiah 40:8. (Surah 20:83–89) tells us that a Samaritan (Samiri) made the golden calf for Israel while Moses received the law. There are two problems with this: one, the Bible says it was Aaron (Exodus 32:1–4), and two, the Samaritans didn't yet exist until after 870 BC (1 Kings 16:24). Samaria was founded by King Omri around 870 BC. (see 1 Kings 16:24). But the "Samaritans" as a distinct people emerged only after the exile of the northern kingdom of Israel and the resettlement of the area under King Sargon II after 722 BC. The

Exodus occurred much earlier, around 1300-1400 BC. Pharaoh drowned. (Surah 17:103, 28:40, 43:55-56); then you read Pharaoh did not drown (Surah 10:91-93). In the Quran, Surah 17:103 speaking of Pharaoh the Pickthall translation of the Quran says; "And he wanted to drive them out of the land, but we drowned him and those who were with him, all together." (Noble Quran, Surah 10:92) speaking of Pharaoh Pickthall also says; "But today We save you in your body so that you may be a wonder to those who come after you. Behold! the greater part of mankind is heedless of Our wonders." Muhammad created historical references for the Kaabah (Kabaah/Ka'bah). The Quran says that the Kaabah in Mecca was built by Adam and rebuilt by Abraham. It was actually built by pagan Meccans to worship a black rock that fell from the sky. Abraham never lived in Mecca according to the Torah. The late Taha Hussein, one of Egypt's most famous professors of Arabic literature, said that the Islamic myth of Abraham building the Kaabah came into fashion shortly before the rise of Islam. The (Surah 18:85,86) says that Alexander the Great (Sul-qarnayn) followed the setting sun and found that he descended into the waters of a muddy spring. Surah 18:89-98 says that the Greek Alexander the Great was a Muslim and worshiped Allah. In reality,

Alexander the Great died very young and was not a Muslim at all. Alexander the Great lived from 356 to 323 BC. (Before Jesus). He was 33 years old when he died. Muhammad and Islam did not arrive until 610 AD. (after Jesus), when Muhammad began preaching Allah and his new religion in Mecca. This occurred more than 900 years after the death of Alexander the Great. Yusuf Ali and the Concise Dictionary of Islam confirm that Zul-Qarinain in the Quran is Alexander the Great. The Quran also erroneously says in (Surah 105:3-4) that Abrah's army was defeated by birds throwing stones at them. History (Guillame, Islam, page 21 ff.) says that Abraham's army retreated after the outbreak of smallpox. Muhammad had no notion of historical timelines. In this ridiculous beauty (Surah 7:157), Moses speaks to Allah about what is already written in the Injil (Gospels of Jesus). **There's a little problem here. That is, Jesus was born about 1,000 years after Moses!** The origin of the calamity? The evil in our life comes from Satan [Surah 38:41]; Ourselves [Surah 4:79]; or Allah [Surah 4:78]? Can slander against chaste women be forgiven? Yes [Surah 24:5], No [Surah 24:23]. Repeal? "The words of the Lord are perfect in truth and righteousness; there is NO ONE who can change the words of him" (Surah 6: 115). See also Surah 6:34, 10:64 and

50:28,29. But then Allah (or Muhammad?) sees the need to exchange some for "better" (Surah 2:106, 16:101). And it is not for the ignorant to question Allah because of such practices! Let's think. How can a divine revelation be improved? If he were divine, wouldn't he have been perfect from the beginning? The (Surahs 6:34, 6:115, 10:64 and 50:28,29) clearly tell Muslims: "There can be no change in the words of Allah " and that Allah cannot alter (or abrogate) his words. The Christian Torah and Gospels are correct, because Allah has verified this fact - this clearly makes the Muslim Quran false; because it contradicts Allah. Consider the change in the number of days taken for creation, first from 6 days (Surah 7:54, 10:3, 11:7 and 25:59) and then it is changed to 8 days (Surah 41:9-12). Isn't anyone playing with a full Deck? Allah's day is equal to how many human years? In (Surah 22:47 and 32:5) the day of Allah is equivalent to 1,000 human years. In (Surahh 70:40, Allah's day is equivalent to 50,000 human years. How many days did Allah need to destroy the people of Aad? (Surahh 54:19) - One day. (Surah 41:16 and 69:6 ,7) - several days. Allah can have a son. (Surah 39:4). Allah cannot have a son (Surah 6:101 and 25:2). All angels obey Allah. (Surah 16:49- 50). Not all angels obey Allah (Surah 2:34). In (Surah 19:19-22), the human Tide was told that

she would have an "immaculate conception" or be pregnant by Allah. However, the (Surah 6:100-101) denies that Allah can have a son or daughter through mortals. Face Mecca while praying. (Surah 2:144). Look at Jerusalem while praying. Originally Muhammad ordered Muslims to face Jerusalem when they prayed; probably because Solomon established the practice of praying while looking at Jerusalem (1 Kings 8:29, 30, 44; 2 Chronicles 6:21; Daniel 6:10). Apparently, Muhammad initially believed that God wanted him to pray facing Jerusalem and did so for nearly 16-17 months - at least while he thought he could convert the Jews to his religion. However, later, when the Jews rejected him, Muhammad preferred to pray towards the Kaabah in Mecca which, at that time, contained 360 idols. Is Jesus a prophet or not? Will Jesus burn in hell? In (Surah 4:158) Jesus is elevated to Allah, and in (Surah 3:45) Jesus is positioned close to Allah. Jesus is worshiped by billions of Christians. Yet (Surah 21:98) says that all those who are worshiped by men besides Allah will burn in Hell along with those who worship them. Or is Jesus Allah, the same substance as the Father? Did Jesus die or not? The (Surah 3:144) is quite adamant that all the messengers died before Muhammad. But then (Surah 4:158) states that Jesus was resurrected by God (alive?)

and (Surah 4:157) falsely states that Jesus did not die. In (Surah 4:157) we read that Jesus certainly did not die, however in (Surah 19:33) we read that he not only died, but was resurrected! 19:33 law of Jesus: "And peace be upon me on the day I was born, and on the day I die, and on the day I am resurrected." What is the punishment for adultery? (Surah 24:2) - Flogging with 100 strokes (men and women); (Surah 4:15) - "confined to homes until death claims them (house arrest for life - for women); (Surah 4:16) - For men: "If they repent and mend their ways, leave them alone" . (Surah 24:2) contradicts both the procedure for women and men in (Surah 4:15). And why is the punishment for women and men the same in Surah 24.2 but different in (Surah 4:15)? In (Surah 19:67), "But does not man remember that first We created him from nothing?" In (Surah 15:26), man is created from clay (We created man from sound clay, from mud fashioned into shape;)." Since clay is something, we have a contradiction since "nothing" excludes the possibility of "clay". The Quran they say is a divine revelation without error. Hmm! "This Quran is not such that it can be produced by anyone other than Allah; on the contrary, it is a confirmation of the (revelations) that preceded it, and a fuller explanation of the Book - about which there is no doubt - from the

Lord of the worlds" (Surah 1:37); and "The revelation of the Book comes from Allah, the Exalted in Might, Full of Wisdom" (Surah 45:2).

. But then look at this. "We have never sent to you a prophet or an apostle whose desires Satan has not tampered with. But Allah abrogates the interjections of Satan and confirms his revelations." (Surah 22:52). The (Surah 4:11-12 and 4:176) states the Qur'anic law on inheritance. When a man dies and leaves three daughters, his two parents and his wife, will receive their respective share of $\frac{2}{3}$ for the 3 daughters together, $\frac{1}{3}$ for the parents together [both according to verse 4:11] and $\frac{1}{8}$ for the wife [4:12] which amounts to more than the available assets. A second example: a man leaves only his mother, his wife and two sisters, then they receive $\frac{1}{3}$ [mother, 4:11], $\frac{1}{4}$ [wife, 4:12] and $\frac{2}{3}$ [the two sisters, 4:176], which again amounts to $\frac{15}{12}$ of the available property. In (Surahs 6:14, 6:163 and 39:12) - we are told that Muhammad (born 570 years after Jesus) was the first to bow to Allah; making him the first Muslim. But wait, even earlier in the passages of the Quran weren't we already told in the Quran that Abraham, his sons and Jacob were former Muslims (Surah 2:132) and that all the previous prophets (Surah 28:52-53), and Were the Jewish disciples of Jesus (Surah 3:52) also Muslims who believed in Allah? Is

the day of Allah equal to 1,000 human years (Surah 22:47, 32:5) or 50,000 human years (Surah 70:4)? “Verily one Day in the sight of your Lord is like a thousand years of your reckoning.” (Surah 22:47); “The angels and the spirit ascend to him in the Day whose measure is (as) fifty thousand years.” (Surah 70:4) Were Heaven and Earth created? (Surah 2:29) says that the earth was created first and then the sky. But wait, as (Surah 79:27-30) indicates, the first heaven was created, and then the earth? To intercede or not to intercede? The Quran makes contradictory statements about whether intercession is possible on the Day of Judgment. No: in (Surah: 2:122-123, 254; 6:51; 82:18-19) ; etc. Yes: in (Surahs: 20:109; 34:23; 43:86; 53:26); etc. Typically, with errors in the Quran; each position can be further supported/abrogated by a subsequent Hadith. Does Allah forgive shirk? Shirk can include any object that a person may hold in higher regard than Allah. It is the gravest of sins and will not be forgiven. But the author of the Quran seems unable to decide whether Allah will ever forgive him or not. No in (Surah 4:48 and 4:116; and Yes in Surah 4:153, 25:68-71). Another contradiction: According to the lies in Surah 6:76-78 Abraham committed this sin of polytheism since he considers the moon, sun and stars to be Lord of him. Yet Muslims believe that all prophets are

without any sin! In (Surah 96:1-2) we read that God created man from a clot of blood. But in (Surah 21:30) it is said that man was made from water. And (Surah 15:26) says that man was made of clay. According to (Surah 10:90-92), Pharaoh believed "at the sight of death" and was saved. But (Surah 4:18) says that such a thing cannot happen because even Pharaoh did not repent. Will Christians enter Heaven or go to Hell? The (Surah 2:62 and 5:69) say "Yes" to Paradise. (Surah 5:72 (3 verses later) and Surah 3:85) say "No" to Paradise. In (Surah 2:234) widows must keep separated for 4 months and 10 days after the death of their husband. In (Surah 2:240) it is one year. Allah, the god revealed in the Quran, is not a loving father. He says that he wishes to lead people astray (Surah 6:39, 125-126). **YES:** Believers, Jews, Sabeans and Christians – whoever believes in God and the Last Day and does what is right – will have nothing to fear or regret. (Surah 5:69) **NO:** Non-believers are those who say: "God is the Messiah, the son of Mary". Because the Messiah himself said: "Children of Israel, serve God, my Lord and your Lord." He who worships other gods besides God, God will deny him Paradise, and fire will be his home. Nobody will help the evildoers. (Surah 5:72) **Wine: good or bad?** (Surah 5:90-91 and 2:219) - Strong drinks and... are just a despicable

work of Satan. (Surah 47:15 and 83:22, 25) – Yet, on the other hand, in Paradise there are rivers of wine. How does Satan's work get to Heaven? The (Surah 2:219) also says that there is profit in intoxicants. Dear reader, now please compare these errors in the Quran, which show that this book is not inspired by God, with this example of something truly divinely inspired and accurate from the Jewish/Christian Bible: Millions of Europeans died of leprosy for hundreds of years. Some doctors thought the cause was eating hot foods or eating meat from diseased pigs. Others blamed the evil conjunction of the planets. About 60 million people died from BLACK DEATH in the 14th century. God had divinely revealed in the Jewish Old Testament thousands of years before that the solution to leprosy and the Black Death was to separate the infected and practice proper hygiene, such as burying things that come into contact with infected individuals: "Once the condition of leprosy was established, the patient had to be segregated and excluded from the community..." For centuries in Europe, multitudes of people died due to inadequate sanitation and health services and inadequate hospitals. In many villages, human excrement and waste were thrown into the streets, causing deadly epidemics of typhus, cholera and dysentery. The

solution to the problem, burying waste and separating people, had been given by God 3,500 years earlier (in the Old Testament Book of Deuteronomy 23:12-13). **Did you know? According to Muhammad, angels are the reason why roosters crow, and Satan is the reason why donkeys bray!** Bukhari, Volume 4, Book 54, Number 522: Narrated Abu Huraira: The Prophet said: "When you hear the crowing of roosters, ask for the blessings of Allah (for their crowing indicates that) they have seen an angel. And, when you hear the braying of donkeys, they seek refuge with Allah from Satan because (their braying indicates) that they have seen Satan." Also consider this nonsense: Muslim, Book 023, Number 5007: Jabir b. Abdullah reported that the Messenger of Allah said: Do not eat with your left hand, because Satan eats with your left hand! Muslims even deny that Jesus died on the cross; something that has been faithfully reported in 4 Gospels. Consider the importance of the fact that no Jew or Roman living at the time ever openly denied the scriptural account of the life, death, ministry, or resurrection of Jesus Christ. **According to Muhammad, Satan is the reason why donkeys bray!**

Of course with the Christian “cult” growing so rapidly throughout the regions and even neighboring countries in those early days, anyone with evidence to contradict the scriptural account would likely have been forced to come forward publicly. Furthermore, in the Babylonian Jewish Talmud (Sanhedrin 43a) of the Tannaitic period it is recorded: "On the eve of the Passover Yeshu was hanged."

WHO IS ALLAH?

Allah has pagan origins. When Muhammad was born in Mecca, each Arab tribe in Mecca had its own deity. A large black meteor was found in the desert which many Arabs believed had been sent to them by astral deities. This rock was placed in the southeast corner of the cube-shaped structure in Mecca. The Arabs knew this rock as Ka'ba, which means stone. The diameter of the black rock is approximately 12 inches. It is reddish-black in color and has red and yellow particles. During this period, before Islam, this stone was part of the shrine dedicated to the worship of a primary male god (among over 350 other gods) known as Hubal. The black meteor stone was said to symbolize a nature god known as al Hajar al-Aswad. Hubal was an oracular deity whose statue - in human form and made of flesh-red: remained in the Kaba until Muhammad destroyed it. The Kaaba is about 50 feet tall and the walls are about 40 feet long. The facade contains the door, which begins 7 feet above the ground and faces N.E.. To enter the Kaba you must use a ladder. Also built in the eastern part at the corner, there is another stone called "lucky charm". This stone is only touched, not kissed. The pagans invoked the names of their pagan gods as they surrounded the Kaba, just as Muslims do today, invoking the name of Allah. The early pagan Meccans also ran among the nearby hills.

Muhammad authorized Muslims to do this in the Quran, and Muhammad probably ran into the hills himself. So, even before Muhammad, pagans worshiped this black stone in the Kaba. We are surprised that although Muhammad proclaims only one God, he continued to participate in the worship of idols in this pagan sanctuary (Kaba); and today Muslims still practice idol worship there? The black stone of the Kaaba is nothing more than a remnant of Islam, of pre-Islamic paganism. **Muslims do NOT pray to the same God (Yahweh) as Christians and Jews!** Yahweh is transliterated from the Hebrew YHVH. Before Muhammad, the Arabs had 365 gods, one for each day of the year. Muhammad chose Allah (Al-Iahi), who was the Arab god of the moon, their god of war, and their god of the sword. Pre-Islamic history tells us that many Arab tribes were stone worshipers. This is also mentioned in Sahih al-Bukhari, Vol 5, #661. The Old Testament also speaks of pagan groups in the Middle East who worshiped stones. There is evidence that black stones were commonly venerated in the Arab world. In 190 AD Clement of Alexandria mentions that “the Arabs worship stone”. He alludes to the black stone of Dusares in Petra. In the 2nd century Maximus Tirus wrote: "The Arabs pay homage to I know not which god, whom they

represent with a quadrangular stone". Maximus was talking about the Kaabah (Ka'ba) which contains the Black Stone. The Quraishi (aka: Quraish) tribe to which Muhammad belonged was responsible for the worship of idols in the Kaabah Sanctuary. The chief god of Muhammad's tribe was one of three sister goddesses called al-Uzza, the youngest of the three daughters of pre-Islamic Allah and the patron goddess of Mecca. Her name means "the mighty one". The other two were called "al-Lat and "al-Manat". It was only by chance that a soothsayer advised Muhammad's grandfather not to sacrifice Muhammad's father to this pagan deity al-Uzza. The head of these pagan deities and animal ways was "Al-llah". It is believed that "al-llah" in the time of Muhammad before Islam referred to a vague moon god and that Muhammad believed that al-Uzza was a daughter of this "al-llah", the Allah of the Quraish tribe corresponded to the god Bel, which is another name of the Assyrian-Babylonian gods En-lil and Marduk. It has the same meaning as Baal. Today Arabic translates the word Allah as "God". Muhammad's father was Abd Allāh ibn 'Abd alMullalib. "Abd-Allah" means slave of Allah. When Muhammad says there is only one god – Allah – you now have an idea of what his background/thoughts were; and who may this really be Allah. Of note:

In 1988, Salman Rushdie's novel "The Satanic Verses" contained the above as the basis for that book. This book led Ayatollah Khomeini to offer a \$3 million bounty on Muslim Salman Rushdie. But Salman Rushdie did not lie about the satanic beginnings of Islam! He simply reported the truth. And the truth is something Islam cannot tolerate! During the early stages of Islam, Muhammad was frustrated in his attempts to conquer the merchants of Mecca and other powerful people, who were all polytheists (believe in many gods). He finally gave in to his hitherto uncompromising monotheism and asserted that it was permitted for the pagan gods of Mecca – in particular, three female deities called al-Lat, al-Uzza and Manat – to intercede before Allah for the people. According to Islamic tradition, Satan took advantage of Muhammad's desire for reconciliation and "put on his tongue" as a revelation from Allah this rhetorical question and answer: "Uzzah and Manat, the third, the other"? These are the exalted Gharaniq (cranes) whose intercession is approved." The pagan members of Muhammad's tribe, the Quraysh, were pleased; they prostrated before their gods as the Muslims prostrate before Allah, and went out saying: "Muhammad he spoke beautifully about our God."

How did Muhammad get out of this mess? Just as you would expect. 'Miraculously and conveniently, Gabriel went to Muhammad and gave him a new one (Surah 22:51) which says that Satan habitually tampers with the messages of the prophets. Reference: Page 69, "Inside Islam, A Guide for Catholics". Suyuti says in Asbab of the Nuzul (page 184): "Muhammad was in Mecca. He read the chapter of the Star. When he uttered: 'You have seen the Lat, the Uzza , and the other third Manat?" Satan instilled in his tongue: "These are the exalted idols (daughters of God) whose intercession is hoped for." The infidels said that Muhammad had mentioned their gods with good words. Then when he prostrated, they also prostrated. Therefore, verse 22:52 above was not inspired. Allah is not the God of Jews or Christians. Allah is in fact an idol of the Moon god of Mecca. To confess that Allah is the same God as Abraham, Isaac, Jacob and Moses is to deny Yahweh (I AM), Who is revealed in the Lord Jesus the Christ! The standard of judgment for the God of the Quran is that our good deeds (towards Muslims only) must outweigh our bad deeds (Surah 7:8-9; 21:47); but the standard of the God of the true Holy Bible is nothing less than complete perfection as measured by God's holy character (Matthew 5:48; Romans 3:23). Because no one can reach perfection, God sent His only Son as a

substitutionary atonement (korban) so that those who believe and trust in Jesus, though imperfect ourselves, will have eternal life. In short, he did a wonderful thing that shows that He loves us. God Himself (Yeshua/Jesus) was the only perfect sacrifice for this dilemma. Two important attributes of Yahweh (I am/Jesus) are that God is just and merciful. Muslims often ask me: How can God die on a cross? When should they ask; "Why did God suffer and die on the cross"? The answer is that God is love! Love for us is the reason why the Father sent His Son Jesus to die in our place --- to save us from the just punishment for our sins. Because of the Cross, Yeshua/Jesus gained justice and we have mercy. Muslim activists in the West have used the tactic of claiming to worship the same god as Christians to gain legitimacy and acceptance. They used the name "God" instead of "Allah" in many translations of the Quran. **The Satanic Lie:**

Good deeds will take you to heaven!

The Truth of God's Word:

The wages of sin/any sin is **DEATH!**

Islam is largely an action-based religion where God keeps score. For Muslims, good deeds go on one side of God's ledger, and bad deeds on the other. Islam says that on the day of resurrection, every person's ledger will be balanced. Assuming all other basic qualifications have been met during life (i.e. the "pillars of Islam"), if the person's good outweighs the bad: Paradise. If evil exceeds good: hell. It's really simple. NO Muslim ever knows if he is destined to rot in hell forever. Muhammad said that he himself was not sure whether he would go to heaven or hell. The true God has made everything easier than this system based on false actions. But it requires that you believe something with all your heart. This may require you to leave your family and/or friends. But your eternal life and the place where you spend eternity require it. You must accept the substitutionary atonement for your sins from the Son of God. You just have to ask Jesus and He will save you. Only in Jesus do we have a promise for life. Jesus said, ***"I am the resurrection and the life. Whoever believes in me, even if he dies, he will live"*** (John 11:25). Islam says that the God of the Quran provided a messenger, Muhammad, who warned of Allah's impending judgment (Surah 2:119; 5:19; 7:184, 188; 15:89-90) and who declared that "No bearer of one burden can bear the burden of

another" (Surah 17:15; 35:18, Ali); but the God of the Holy Bible provided a sinless Saviour, Jesus Christ, who took our sins upon Himself and bore the wrath of God in our place (Matthew 20:28; 26:28; Luke 22:37 ; John 3:16; 10:9-11; 2 Corinthians 5:21; Galatians 3:13; 1 Thessalonians 5:9-10). Quite interesting. Jesus and Mary were among the many images - in addition to the goddesses of fertility and power - venerated in the Kaaba in Muhammad's time. The earliest stories of Muhammad tell how when he entered Mecca in triumph he ordered the destruction of all idols and images. But, when he came across an image of the Virgin Mary and Baby Jesus inside the Kaabah, he reverently covered this icon with his cloak. He ordered that all other images be destroyed and that the image of the Madonna and Child be considered sacred. A Muslim myth regarding the Kaaba is that anyone who prays under the water pipe of the Kaabah becomes as pure as the day his mother gave birth to him. Muslims have difficulty accepting the atonement of Christ even though it is clear as day in all 4 Gospels that Muhammad validates, but Muslims will allow total forgiveness of sins by uttering a prayer under a spout! Who is being deceived? Islam's high regard for Mary is rooted in various texts of the Qur'an, including the following: "Behold! the angels said: 'O Mary! Allah has

chosen you above the women of all nations" (Surah 3:42). Mary's purity in Islamic thought is equated with sinlessness. The Quran even affirms the virgin birth of Jesus, echoing Mary's response to the angel Gabriel from the Gospel of Luke: "She said, 'O my Lord! How can I have a son if no one has touched me?'" (Surah 3). :47). Muslim theologians, however, do not explore the implications of Mary's sinlessness or her virgin birth. They do not want to pursue a line of thought that could lead to the assertion that Jesus was divine, a very disturbing conclusion for the Muslim. Reference: pages 61 and 62, "Inside Islam, A Guide for Catholics." Add this dilemma about Mary to the fact that the Quran implicitly confuses Moses' sister (Miriam) with Mary (who lived 1500 years apart), the mother of Jesus 3 times --and one must seriously question the credibility of Islam and Allah. Also, remember, Muhammad seemed to think that Jesus was Moses' nephew, the son of Moses' sister Mariam. In the Quran, Surah 53:19 says: 'Have you considered "Al Lat" and "al-Uzza" and "Manat" the third other?' This passage was originally followed by the words: "Truly they are the exalted maidens and there is hope in their intercession." The polytheistic pagans of Mecca were delighted when Muhammad uttered this passage because it was a chant recited by the

Quraish tribe as they circled the Kaaba while worshiping these three main goddesses of pre-Islamic Mecca. This compromise also caused some companions to doubt Muhammad and abandon his fold. "Al-Lat" was the most famous of the pre-Islamic pagan gods. She was the main goddess (and idol) of the tribe of Thakif in Taif, who tried to compromise with Muhammad if only she could destroy their god "Al-Lat " for 3 years. The first authority on the life of Muhammad (Ibn Hisham) stated that these words were spoken by Muhammad at the "instigation of Satan " and are considered Satanic Verses (not to be confused with Salman's book Rushdies). When Muhammad realized that his attempt to appease the pagan Meccans was causing his followers to leave, he quickly made a slight change and a serious omission to this passage by eliminating the phrase about exalted maidens. To make matters worse, Gabriel allegedly went to Muhammad and denies having revealed the word to him. ('Sirat Ul Rasool' as revised by Ibn Hisham, (vs. 239), and Tabari pp. 1 192). Muhammad retained the name of the goddesses and added that it was unfair for God to have daughters while humans had sons (see Surah 53:19-23).

**IN FACT, GOD HAS A SON
(BEGOTTEN/NOT CREATED)!**

Islam would have Christians and Jews believe that this pagan Allah who insists on world domination and the death of unbelievers - and that he is the same god who offers Muslim terrorist martyrs hedonistic sex with virgins in paradise - is the same "holy" Christian and Jewish. God of the Book". Christians and Jews think this is blasphemy! Although today's Jews and Christians are not all saints, there is no denying the fact that none of these religions has given rise to a contemporary movement aimed at world domination to be achieved through terror and war. This honor is reserved for the Muslim faith. It must be concluded that the real problem, the basic problem, lies in Satan's devious lies found in the (Qur'anic) message; and also with the messenger (Muhammad) Most individual Muslims may respect and honor women, but Islam does not! Several words that Muhammad uses in his dishonorable Quran to describe women should "open their eyes". The words "naghess al aghl" literally mean a person of deserted spirit. Describes the intellectual capacity of women in general. And the word "zaeef eh" refers directly to the female gender in contrast to men in a condescending way. It means "the weakest". Muhammad's Allah commands this: "Give them their dowry for the enjoyment you had of it as a duty" (Quran 4.24). In other words, a Muslim husband should

live with his wife to satisfy his needs and pleasures. In Islam it is clearly understood that if a woman disobeys her husband, it is usually necessary for her husband to stop having sex with her (temporarily) and for him to teach her "a lesson" with some form of physical punishment. The Islamic Quran itself is responsible for cruelty towards Muslim women, both young and old. In short, this evil book compares a woman to a field (or land). This "field" is to be used by a Muslim man as he sees fit. This "pattern" was established by Muhammad himself and what he said and how he treated women. If a woman does not consent to making love, civil law in Western countries considers this to be rape, pure and simple. However the Quran does not ask women. It only takes into account the husband's will. The Quran in Surah (Chapter) 2:223 says: Your women are your fields, so go to your fields as you like. . . .(MAS Abdel Haleem, The Koran, Oxford UP, 2004). Christians believe that their lives should be modeled after that of the Lord Jesus Christ who spent time teaching women, breaking with the customs of His day (Luke 10:38-42). His respect was also shown towards sinful women who turned to Him for compassion (Luke 7:36-39). Jesus, the true prince of peace, transcended racial and cultural barriers to reveal His true identity to a Samaritan woman

(John 4:1-42). Jesus healed a woman on the Sabbath and Jesus freed the woman caught in adultery from stoning. And, after His resurrection, Jesus honored the female disciples by appearing to them first (Matthew 28:8-10). Aisha, the most beloved of Muhammad's many wives, said to Muslim women: "O women, if you knew the rights that your husbands have over you, each of you would wipe the dust from your husband's feet with her face." This satanic-inspired Islamic religion also managed to enslave women, of which the true God would never have been a part. If the husband wants to have sex with his wife, he can do it, even with force which in the West, and in the Christian and Jewish tradition, is considered cruelty and rape. Under Egyptian law, Muslims are not allowed to change their religious identity to another faith, although Christians are free to officially convert to Islam. The Koran (Koran) is the greatest enemy of civilization, freedom and truth the world has ever known. Inherent in the Koran are polygamy, divorce, slavery, the elevation of jihad as a sure path to paradise, hatred towards non-believers and even lying if it is profitable. Cruel Muslim mullahs, imams and ayatollahs insist that women wear the veil as a way to remove the female sex from its rightful position and influence in the world – itself a form of slavery.

You might think this is a small problem. You wouldn't do this if you were a woman and had to bundle yourself up in 110 degree heat every day in a hot Middle Eastern country, just because of extreme male chauvinism. This comes from the Muslim interpretation of Muhammad's treatment of his wives to apply to all women. 'O Prophet! Tell your wives, your daughters, and the women of believers to cover their cloaks (veils)'. (Surah 33:59) , from the noble Quran. And concerning seeing the face of a woman: 'There is no sin before their fathers, nor their children, nor their brothers, nor their brother's children, nor their children. their sisters' children, or their women, or their slaves'. (Surah 33:55), the noble Quran. A clear example of a fanatical and oppressive Muslim dress code occurred in March 2002 in Mecca, Saudi Arabia. A fire occurred in a school in which 15 girls died. During the fire in the school the girls had taken off their warm and oppressive outer clothing, which hid everything. In fact, preferring the death of these young people to the transgression of Islamic law, the religious police of Saudi Arabia (the muttawa) fought against policemen and firefighters who tried to open the doors to free them. The truth is that the Taliban practice true pure Islam, because the goal of Islam is to bring to the world a Muslim-dominated society with the

same rules imposed by murderous mullahs and imams like those of Afghanistan. Islam seeks a world full of zombies and slaves who cater to the every whim of the mullahs and imams. Fun! Isn't this what Satan wants? Islamic fundamentalists known as the "Taliban" have unleashed a regime of evil terror. Its first victims were its own inhabitants, especially women. He has closed girls' schools, fired women from government jobs and imposed sharia laws under which women deemed "immoral" are stoned to death and widows guilty of adultery are buried alive! According to the Quran (Quran): Muhammad adopted a boy named Zaid (alias: Zayd) because Muhammad had no male children. Zaid married a stunningly beautiful woman named Zainab (aka: Zaynab). Once, when Muhammad was visiting Zaid's house, he accidentally saw Zainab in scanty clothes. Muhammad was overcome with lust. In the Quran we are told that it was Allah who caused Muhammad's heart to desire Zainab. And that it was Allah's will that Zaid should divorce her wife so that Muhammad could marry her. Muhammad married Zainab in June 626 AD. This Allah therefore desires lust and longs for the "neighbor's" wife. Naturally his followers began to murmur about their pious prophet behaving in this way. So, here's another one from the Surah that she

was miraculously given a few months after Allah personally absolved Muhammad (Surah 33:37).

There are three obstacles to Zaid's proposal to give up his wife to Muhammad. (1) The Islamic position regarding the evil of divorce; (2) The Qur'anic limitation of four wives per man; and (3) the strong social principle that no distinction should be made between adopted children and children by birth. After Muhammad took Zaid's wife, he made a quick blunder to cover his tracks. He appropriately received another revelation (Surah 33:4-5, 40) which said; henceforth the adopted sons were to keep the name of their natural fathers and that Muhammad had no blood ties to Zaid. Muhammad promptly changed Zaid's name from Zaid ibn Muhammad to Zaid ibn Harithah. (The Quran Unveiled, page 20) Surah 33:37-38 (Noble Quran) Behold! You said to someone who had received Allah's grace and your favor: "Keep your wife (in marriage) and fear Allah." But you hid in your heart what Allah was about to reveal: you feared the people, but it is more right for you to fear Allah. Then, when Zaid had dissolved (his marriage) with her, with the necessary (formality), We united her in marriage with you: so that (in the future) there may be no difficulty for the Believers (in the matter of) marriage with her the wives of their

adopted sons, when the latter have dissolved (their marriage) with the necessary (formalities) with them. And Allah's command must be fulfilled. There can't be any difficulties for the Prophet in what Allah indicated to him as his duty. It was the (approved) practice of Allah among the ancient deceased. And the command of Allah is a certain decree. Or was it more of a plan by Muhammad and creating rules to get what he wanted with this beautiful woman? We note elsewhere where Muhammad lay with a 9-year-old girl (Ayisha) when Muhammad was 50, and also with a beautiful 17-year-old Jewish girl (Safiyah) – one day after Muhammad had massacred his family. Although Muhammad set the legal number of wives for his followers at 4, Muhammad made it known that Allah granted Muhammad himself the special privilege of any number of wives. Muhammad again miraculously received a Surah that granted him the privilege of living with his slaves. In the Judeo-Christian Bible the Jewish kings were chastised, disciplined and ostracized by the God of Abraham, Isaac and Jacob for this type of covetous behavior that Islamic Islam applauds. This behavior problem is another reason why Allah is not the One and True God. Wouldn't one expect the true Lord to insist on good Christian behavior? The truly righteous God of the Holy Bible

simply would not have granted Muhammad special dispensation over others. A just God would exempt a man (Muhammad) from the law. All the time you expect other men to maintain it?

The Prophets of God were never given the right to circumvent the laws of God. Remember, this was supposedly a divinely directed law, Muhammad had an obligation to obey. Jesus said; *"Whoever puts away his wife, except for fornication, and marries another, commits adultery; and whoever marries her who is put away, commits adultery."* (Matthew 19:9)

MUSLIM DOCTRINE OF TAQIYYA (LYING)

In the West very few people understand a very important doctrine of Islam called Taqiyya (Taqlaya, Taqiyya). Until we understand this in the West, we will never be able to adequately address the Muslim world. Taqiyya roughly translates as lying for faith. A Muslim can tell any lie when he is threatened. In short, a Muslim may lie as a sacred duty to deceive and gain an advantage over the non-believer. The non-prophet Muhammad sanctioned him when he said; "He who keeps secrets will soon achieve his goals." Can we imagine Jesus, Moses or Buddha saying "Hey, lying is good!"? Is it any wonder that Freemasons think the same way as Muhammad? The Islamic god with a small "g" was just caught teaching lies. God Himself cannot lie! The true God of the Holy Bible and LIFE itself - teaches that lying is wrong under all circumstances! See 1 John 2:21, Proverbs 13:5, Titus 1:2, and Ephesians 4:25. An example of the deception that the Quran teaches: Whoever, after having accepted faith in Allah, expresses disbelief, - if not under compulsion, with his heart steadfast in Faith - but those who open the breast of disbelief, upon them is the wrath of Allah. , and theirs will be a terrible punishment. (Surah 16:106) Allah does not have an attribute of love for Muslims: Muslims and anyone else considering Islam should be careful to note that the Allah they are

praying to does not have a single attribute of love. This should be another sign to you that the person you bow to in Islam is not really who the imams, mullahs and ayatollahs say he is. Observe the Quran: There is no attribute of unconditional love granted to Allah to Muslims of him, except once. Ironically, in (Surah 20:390) Allah says He unconditionally loves one man: the Jew Moses. Another “red flag” is that there is not a point in either the Muslim Quran or much later invented Hadith that teaches Muslims to have a loving relationship with Allah. This Allah is to be feared only by Muslims. Muslims are in no way allowed "free will" by this tyrant. The Quran contains words such as Allah is Compassionate. But to whom? Certainly Allah was always compassionate towards Muhammad, who was behind all his escapades. In fact, Allah often changed his mind/teachings to suit Muhammad's agenda of plunder, murder, and political intrigue. Allah was not compassionate towards all those (Arab poets, women with children, Jews, Christians and other dissidents) that Muhammad he ordered them to be murdered without mercy, simply because they opposed him and his gang of assassins. According to the Surah above, when forced, Muslims can simply pretend to believe in another faith, while secretly maintaining their Muslim faith. This is in stark contrast

to the thousands of Christian martyrs who refused to renounce their faith and willingly died for Jesus. To give you an idea of how intolerant and ruthless Muhammad himself was. When Muhammad's uncle Abu Lahab publicly rejected Muhammad's "prophetic" message, Muhammad cursed Abu Lahab and his wife with words that have become an entire (Surah 111:1-5) in the Quran: "May the hands of Abu Lahab perish! May he himself perish! His riches and his earnings will profit him nothing. He will be burned in a flaming fire, and his wife, laden with fagots, will have a fiber rope around her neck! This is the type of example of its founder, of which the Muslim Koran is full. This should be a further warning. When you hear hatred preached in your mosques, realize who you really follow. Muhammad's "lying golden carrot" to ensure world domination through Jihad: will all Muslims go to Hell? According to (Surah 19:71) every Muslim will go to Hell (at least for a certain period), while another passage states that those who die in Jihad will immediately go to Heaven. A symptom of evil (bait and switch). Except for Allah saying He loves the Jew/Hebrew Moses (in Surah 20:39), there is not a single mention of Allah loving man unconditionally in the Qur'an (Qur'an); or provide a path to salvation. Can you be sure that your time in Hell won't be an eternity? If you do

not follow Allah's orders by carrying out terrorist acts, what future awaits you as a Muslim? The true and living God already foreseen a simple plan of salvation; and it is the true path to Peace. Muslims often say they honor Jesus as a great prophet. If he truly honored Jesus, Muslims would believe what He (Jesus) said; ***“For God loved the world so much that he gave His only begotten Son, so that whoever believes in Him should not perish but have eternal life.”***

(John 3:16)

“I and My Father are one.” (John 10:30)

“Who is a liar if not he who denies that Jesus is the Christ? He is the antichrist who denies the Father and the Son. Whoever denies the Son does not have the Father: (but) he who recognizes that the Son also has the Father.” (1 John 2:22, 23) The loving God has made the key to life after death simple: in the Christian Holy Bible we read: ***“Truly, truly, I say to you, whoever hears My word and believes in Him who sent me has eternal life and He did not come to judgment, but passed from death to life.”*** (John 5:24)

This too Jesus says to those who follow Him: ***"In my Father's house there are many mansions: if it were not so, I would have told you. I am going to prepare a place for you"*** (John 14:2). The God of the Jewish and Christian Bible reveals Himself as a faithful Father, the God of love, truth and justice. Jehovah, the God of the Judeo-Christian Bible is "too pure to consider sin" and "He is not willing that any should perish, but He is willing that all men should come to the knowledge of the truth" (1 Timothy 2:4). The true Jewish-Christian God "has no pleasure in the death of a sinner" and according to the Holy Bible He even sent Jesus, His Son into the world to pay the price for our sins so that we could be forgiven, despite the just punishment of the death that sinners like you and I deserve. 99 attributes of Allah are listed in the Quran. Except for Allah saying he loves the Jew/Hebrew Moses (in 20:39), there is not a single mention of Allah loving unconditionally a man or woman in the Koran. Remember, it is quite clear in the Quran that Muhammad and his Allah thought that Moses was living at that time over Noah, and that Jesus' mother, Mary, was the sister of Moses and Aaron! Confusion from a religion based on lies!

The word LOVE is not mentioned anywhere in the Quran, I wonder why it is missing when the Islam religion boasts of being a religion of peace!

God is Love

-1 John 4:16

Consider all of this evidence carefully, because your entire salvation and where you will spend eternity depends on you getting it right. You will find that Allah is a false god. Allah is the same old tribal pagan god of the pre-Islamic Arabs. Muhammad simply elevated Allah to the position of deity to motivate his troops to plunder, rape, and murder. He provided Muhammad with the "authority" he needed to live his "good life"; just as he continues to provide a "good life" to the despotic Arab kings, imams, mullahs and other teachers of Islam today. Knowing Muhammad's historical lifestyle, are you willing to bet eternal life on this source (Muhammad) alone? The Quran does not come from numerous confirmed sources such as the Hebrew and Christian Bibles. It comes from a single source; a supposed Nazil revelation (or tanzil - the belief that it was sent by God, free from human hands) only to Muhammad. There is not a single external witness who can corroborate Muhammad's testimony; nor are any miracles or even prophecies (about him) given to substantiate his claims. Is Allah someone you would rationally want to deal with? Let's think. If a man had the character of Allah, as described in the Quran, no one in his right mind would want to do business with him! Because Allah is apparently a deceiving, perverting god who changes people,

changes their minds and encourages polygamy, concubinage, wife beating, slavery and "holy" war against the enemies of Islam. The more serious people are in following Allah and the Quran, the greater the social disaster they will create both domestically and internationally!

WOMEN ARE ONLY PROPERTY IN ISLAM

In Muhammad's time, women's roles were significantly inferior to those of men. One of the most difficult verses reads: "The righteous women are therefore obedient, keeping the secret for God to keep. And those whom you fear may be rebellious, admonish, banish them to their sofas and beat them" (Surah 4:34). The Arabic word "beat" or "scourge" does not mean to tap lightly; it's the same word used to beat a violent criminal or a camel. Muhammad himself once deliberately struck 'Aisha "on the chest, which caused me pain", according to Sahih Muslim vol.2:2127. In matters of inheritance, women are to receive half of what men receive (Surah 4:11). Men are the "managers" of women (Surah 4:35) and can "come to [their] work as they wish" (sexually) (Surah 2:223); they can divorce their wives by stating "I divorce you" three times (2:229-230); and he can take more than one wife (Surah 4:29). (Surah 4:3) - A Muslim man can marry up to 4 women; a Muslim woman can only have one man. (Surah 2:229) - Men can ask for divorce. Women can't. (Surah 4:11) - A woman can inherit only half of what a man can inherit. (Surah 4:34) - Women cannot serve as imams, but they cannot lead a prayer in front of men either. (Surah 33:53) - A woman cannot open the door of her house if her husband is not there. (Surah 33:33) - Women should stay at home

and not travel without permission from their husband/father. (Surah 4:34) - A husband can force his wife to submit if the wife refuses sexual intercourse. The intellectual and religious deficiencies of women are stated in the following Hadith found in Sahih al-Bukhari which is considered by Muslim scholars to be "The most authentic book after the Book of Allah (i.e. the Quran)":[13] "The Apostle of Allah he once said to a group of women: 'I have seen no one more deficient in intelligence and religion than you. A cautious and sensible man might be led astray by some of you.' The women asked, 'O Allah's Apostle, what is lacking in our intelligence and religion?' He said, "Is not the testimony of two women equal to the testimony of one man?" They replied in the affirmative. He said, "This is the deficiency of your intelligence." The authenticity of the said Hadith is undisputed. It is reported by the two most reliable collections of Hadith; Bukhari and Muslim. The agreement of Bukhari and Muslim on its authenticity makes it (munafiqun 'alayhi) "agreed", which is the highest degree of authenticity. The above Hadith does not describe women only in early Islam, but is a description for all times, as long as "women can neither pray nor fast during their menstruation" and as long as "the evidence of two women is equal to the testimony of a man." This reasoning is

not temporary, but is rooted and derived from the Quran forever until the day of resurrection. The Muslim Quran says that the majority of people in hell are women! Muhammad said, "I was shown the fire of hell and that most of its inhabitants are women" 1:28, 301; vol. 2:161; vol. 7:124. Muhammad also once said; "If there is a bad omen in anything, it is in the house, in the woman and in the horse. Reference: Sahih Al-Bukhari, vol. 7, book 62, no. 31. Islam allows polygamy: a man can marry up to four wives at the same time. "Marry women of your choice, two, three or four..." (Surah 4:3). The women are second class! (Quran 2:228): "And it is up to women to act as they (husbands) act as they do, in all honesty; but men are a step above them." [7]

Women are simply mere toys (for men) in Islam!

Omar [one of the Khalifa] was once talking when his wife intervened, so he told her: 'You are a toy, if you need anything we will call you.' And 'Amru Bin al-'Aas, also a Khalif, said: "Women are toys, so choose." [22] These were not just the views of 'Amru Bin al-'Aas and 'Omar. Muhammad himself said: "Woman is a toy, whoever takes her,

let him take care of her (or do not lose her)." [23] In Saudi Arabia women are so second class that they can't even sit in the front seat of the car with their husband; even though they were the only two people in the car. Women are not allowed to eat in most public restaurants. If they do, it's in a room with a back door. According to Iranian law, a boy can be executed from the age of 15 and a girl from the age of nine. Muhammad's sexual appetite is legendary. There seems to be no limit beyond which this man would not go for his own gratification and pleasures. After attacking innocent caravans and villages for a while, the Muslims gained fame, notoriety, and wealth in Arabia. This wealth included many male and female, young and old slaves that many under Muhammad's rule over Muslims freely sold and used sexually. The ruler of Egypt once sent Muhammad a rich gift consisting of a variety of expensive items, including two Coptic Christian female slaves. Muhammad decided to take the more beautiful of her two, Mariyah, for himself, lodging her in a nearby house. Her other wives became severely jealous, creating great unhappiness for the girl and such torment for Muhammad that he promised her wives that he would never see the girl again. This circumstance led to Muhammad receiving yet another revelation from Allah called the "Surah of

Banishment" or Prohibition, Surah 66. This revelation conveniently disapproved of Muhammad for banishing the girl from his life, absolving Muhammad from the oath he had made to stop to see his son. And he berated his wives (two in particular), even threatening the entire harem with the possibility of Muhammad divorcing them and replacing them with "widows and virgins." Mariyah later became the bearer of Muhammad's only son. This is exactly what A'isha, the wife of Muhammad, said to the great caliphs and "masters" of her time: She said; "You put us on the same level as a donkey and a dog." A'isha made this statement to those great companions and scholars of Muhammad's time. A'isha said this to Ali Ibn Abi Talib, Abdalla Ibn Abbas, Abu-zarr, Abu Hurayra, Anas Ibn Malik and others on whose authority most of Muhammad's Hadith and interpretations of the Quran were handed down.

A'isha, the wife of Muhammad, said to the great caliphs and "masters" of her time: "You put us on the same level as a donkey and a dog!!!"

A'isha says it is because these "pillars" of Islam assure people that Muhammad said that if a man is praying and a donkey, dog or woman passes in front of him, his prayer will not be acceptable, and he must . perform the ablution (washing) again and repeat his prayer. None of the scholars doubt this matter. In Islam, this is repeated every day: every time a woman passes in front of a man while she is praying; or if a dog or a donkey walks in front of him. In this case the good Muslim must wash again and repeat his prayer; otherwise his prayer will not be counted. This treatment of women is what Islam wants to give to the whole world. Compare the above with the teaching of Christianity about women: the apostle Paul knew better than anyone in antiquity that male and female were equal in Christ Jesus. It was he, after all those who said: ***"There is no neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus"*** (Galatians 3:28). Apostle Paul, the greatest teacher and writer of most of the Scriptures of the New Testament found in the Holy Bible saw nothing inferior in the dignity of women. Religion is what controls and dominates the Middle East, and Israel is the only democratic nation in the Middle East that has many Muslim nations as neighbors, who want to see Israel annihilated from the face of the

earth, especially Iran which is the most major financier. who supply the terrorist group " Hamas " with weapons every year! Today, Iran provides support to numerous Palestinian groups, including most notably Hamas and the Palestinian Islamic Jihad (PIJ). In 2020, the US State Department reported that Iran had provided more than \$100 million annually to Hamas and Palestinian Islamic Jihad. Hamas, or Harakat al Muqawama al Islamiyah, is a Sunni Islamic terrorist organization that operates as the de facto leader of the Gaza Strip. Founded in 1988 during the First Intifada as an offshoot of the Muslim Brotherhood, Hamas has set itself two long-term goals, articulated in its statute: the end of the Jewish state and the creation of an Islamic state from the Jordan River to the Mediterranean Sea. Its most immediate goal is the “liberation of Palestine” and the “return” of the Palestinian people. **The world woke up on Saturday 7 October 2023** to horrific images of brutal violence by Hamas terrorists who launched an unprovoked and vicious surprise attack on Israel. Using rockets, paragliders, boats, motorcycles and other vehicles and any other means possible, Hamas terrorists infiltrated Israel with one goal: to kill and kidnap Israelis. The world has witnessed indiscriminate shootings of Israeli civilians, videos of alleged abductions, and celebrations of

death and destruction. In 1964, the greatest terrorist of the 21st century, YASSER ARAFAT, founded the Palestinian Liberation Organisation (PLO), and in the constitution established the following clause: ***“we will never accept half of Israel nor two states within Israel, we want all of Israel, all of Jerusalem and exterminate the last Jew!”***

Shortly thereafter, Israeli Prime Minister Benjamin Netanyahu declared that Israel “is at war.”

The hedonistic dreams and brainwashing lies that the Muslim religion tells its millions of followers that there is a giant “Islamic brothel/sex market” in the sky. And what reward does Heaven bring to the martyr of jihad? He was promised a pearly palace in which there are 72 palaces; inside each palace there are 72 houses and in each house a bed

on which there are 72 sheets and on each sheet a beautiful virgin. He is confident that he will have the appetite and strength of 100 men for food and sex. (Surah 78:31) promises: "As for the righteous, they will surely triumph. They will be gardens and vineyards and high-breasted virgins for companions: a cup overflowing indeed." For a Muslim, heaven is a hedonistic place of "sex and wine" (Surah 2:25, 4:57, 11:23, 47:15).

Hadith: Al hadith, vol. 4, Page-172, No.34: Hozrot Ali (r.a) narrates that Allah's Apostle said: "There is in paradise an open market in which there will be no buying or selling, but it will consist of men and women. When a man desires a beautiful woman, he will immediately have intercourse with her as he desires. It is estimated that about 10% of Muhammad's marauding troops were homosexual. To keep these homosexuals in line, Muhammad had to make concessions to their dreams too. Muhammad had to find other selling points besides stoned virgins and rivers of wine. **He also needed young boys to quench his thirst.** The Quran also fulfills homosexual dreams: Surah: 52:24 - Around them will serve, (devoted) young male servants (beautiful) like well-guarded Pearls. Surah: 56:17 - Around them (will serve) youth of

perpetual (freshness). Surah 76:19 - And around them (will serve) young men of perpetual (freshness): If you saw them, you would think that they are scattered pearls. This hedonistic "Paradise" is the fantastic dream that is nurtured by Muslim children from early childhood. You will remember that Satan promised Jesus of Nazareth things similar to these and more when he tempted Jesus in the wilderness. To a Christian and a Jew, and to any other true son or daughter of the true God, these things that the Muslim hopes for are repugnant. For a woman it must be hell. It seems more like an orgy than a true communion of enlightened spirits. This motivation alone gives the reckless courage and determination needed to train and carry out terrorist actions in which they sacrifice their lives to bring death and destruction to the "enemies of Allah". Courage comes exclusively from a unique doctrine of Islam. Abu-Bakr, the first caliph to succeed Muhammad (and one of the few to whom Muhammad promised Paradise without martyrdom), declared that even if he had one foot in Paradise he would not have he could trust that Allah would let him in. A sure way in Islam to reach Heaven is to sacrifice one's life in jihad.

Yes, suicide is prohibited as self-murder. But sacrificing one's life by killing infidels brings the highest reward to a Muslim! Sahih Bukhari, whom

Muslims consider the most trustworthy, reports this statement of Muhammad: "Allah assigns to a person who participates (holy battles) in the Cause of Allah and nothing moves him to do so except faith in Allah and His Messengers, that he will be rewarded by Allah either with a reward, or with spoils (if he survives) or will be admitted to Paradise (if he is killed in battle as a martyr)." Ibn Khaldun (1332-1406) was a Muslim historian, philosopher and theorist of law. In his work Muqaddimah, he notes that "in the Muslim community, holy war is a religious duty, due to the universalism of the Muslim mission and (the obligation to) convert everyone to Islam either by persuasion or by force" . In Islam, the person in charge of religious affairs is concerned with "power politics", because Islam has "the obligation to acquire power over other nations". Muslim terrorists are not aberrations! In fact they are doing what the Quran and Muhammad teach. As Christians we all know that abortion is bad. But a "Christian" who bombs an abortion clinic or shoots an abortionist and

says God told him to do so – is acting against the God of the Holy Bible, but the Muslim who commits acts of violence in jihad does so with Muhammad's approval and the Quran.

**WHAT ABOUT ALL THE "WORDS
THAT SOUND OF PEACE"
WRITTEN IN THE QUR'AN?**

In Islam, theologians divide the Quran into Meccan and Medinan surahs. You will notice that the peaceful-sounding verses come while Muhammad was living in Mecca at the beginning of his terrorist career, when he was busy calling the Meccans to his service. During his stay in Mecca he mainly consisted of appearing pious, with prayers and meditation. The next Surahs came after Muhammad left Mecca and went to Medina. It was during this last period that Muhammad went on a rampage with military power, followed by ruthless rape, pillage, and murder. This principle of abrogation, known as "Nasikh", is based on the fact that the Quran was given to (or composed by) Muhammad over a period of more than 20 years. To resolve all the contradictions in the Quran, Islamic scholars have decided that later/newer conflicting revelations prevail over earlier revelations. So, if a verse is "nasikh", like the previous peaceful and loving verses, it is completely ignored and effectively does not exist. So in Islam - the subsequent wars and killings of infidel type verses (Surahs) such as the "Sword Verse" (9:5) have the precedence over previous peaceful-sounding verses. Islamic theologians say that more than 124 peaceful-sounding verses are abrogated from the Sword Verse. All of this ties back to the Muslim idea of abrogation.

The Qur'an 9:5, known as "the verse of the sword," states: "Fight and kill the heathen wherever you find them, seize them, besiege them, and ambush them with every stratagem."

A respected Islamic commentator popularly known as Ibn Kathir, who lived from 1301 to 1372 AD, states that: "Surah 9:5 "has abrogated every peace agreement between the Prophet and any idolater, every treaty and every term". There are more than 100 verses in the Quran that advocate the use of violence to spread Islam. There are exactly 123 verses in the Quran that talk about killing and fighting. The Qur'an 9:5, known as "the verse of the sword," states: "Fight and kill the heathen wherever you find them, seize them, besiege them, and ambush them with every stratagem." In the Quran, Allah commands Muslims: "Do not take the Jews and Christians as friends... Kill the idolaters [non-Muslims] wherever you find them... Fight against those... who do not believe in Allah." (Surah 5:51; 9:5 etc.). The Saudi version of the Quran, known as "The Noble Quran", says in Surah 5:33: "The reward of those who wage war (refuse to become Muslims, or reject Islam) against Allah and his Messenger and do of evil in the earth is only that they will be killed or crucified or that their hands and feet will be cut off from opposite sides, or they will be exiled from the earth." In his book "Islam and Terrorism", Dr. Gabriel (not his Muslim name), former professor of Islamic history at Al-Azhar University in Cairo and former Muslim, tells us what the world press ignored for a

long time . decades. Muslims have taken these evil Quranic verses seriously and have massacred innocent Christians all over the world, in places like Indonesia, the Philippines, Egypt, Nigeria and Sudan. A good example in his opinion is what happened in January 2000 to Christians in a southern Egyptian village known as Al-Kosheh. The Muslims set fire to 21 men, women and children while they were still alive. Their bodies were then opened vertically from the throat down, so that the attackers could observe their organs pulsating. The Muslim attackers then cut off the opposite arms and legs to send back to their village to spread fear. The Egyptian government did a good job of covering up this massacre of Christians. The Koran itself warns Muslims: "Do not take Jews or Christians as your friends." During the Arab conquests, Jews and Christians were massacred and synagogues and churches destroyed. An often quoted Muslim phrase in the Middle East region is: **"On Saturday we kill the Jews and on Sunday we kill the Christian!"** The 14th-century Muslim scholar Ibn Taymiyah wrote: "Muslims should not mix with anyone else, and if they do, they should be killed too." In Islam, the world is divided between believers and infidels, between Dar al Islam ("the house of Islam") and Dar al Harb ("the house of war"). All non-Muslims are included in the

"house" of war", and therefore can be forced to accept Islam through Jihad, the Holy War. America and most European countries are not "the home of Islam ", they are therefore in the "house of war". Muslims living in foreign countries, not - Islamic nations owe their loyalty only to Islam and not to the country in which they live. These Muslims are allowed to say anything, including lies, or do anything, as long as it helps and promotes Islam. This theology allows us to understand the roots of the Arab-Israeli conflict and should warn the Christian West about what power lies behind attempts to divide the Earth of Israel. This does not mean that Muslims are evil; but Christians should be aware that they are subject to a deceptive, evil and confusing influence and power: that of Satan through Islam. Therefore, Islam as power must be opposed. Islam does not accept or respect women's rights, human rights or even democracy! For a Muslim, these are all Western ideas coming from the infidels. This goes against the principle of Islamic law known as "Al-Qaeda Al-Faquhia". It basically says that anyone who denies Islam is an infidel. And if they do not fully conform to Islamic teachings they MUST be killed. Westerners should keep this in mind, for it is the basis for killing people who abandon Islam or for preaching

Christianity. The One True God of the Holy Bible said these words written and recorded in the Old Testament Book of Exodus chapter 20, verse 3 and verse 13. ***“You shall have no other gods before ME!”.....“You shall not murder!”*** At the same time, we must realize that hundreds of millions of people – created in the image of God – are held in bondage to this evil, dark power. As Christians, we should pray that God will deliver them from Islam and bring them to the knowledge of salvation in Jesus Christ. Although most Muslims would refuse to obey such commands, this is official Islam and it cannot change without admitting that Muhammad was a false prophet and murderer. Ultimately, Islam's ultimate goal is to impose worldwide submission to the Quran at any cost. What we label as terrorists is simply a group of people who obey the Quran. However, what makes things more complicated is that Muslims in today's world either ignore the concept of the teachings of the Quran, or hide their knowledge of the same.

**KILLING ANOTHER PERSON IS WELCOME
IN ISLAM, EVEN A FELLOW MUSLIM!**

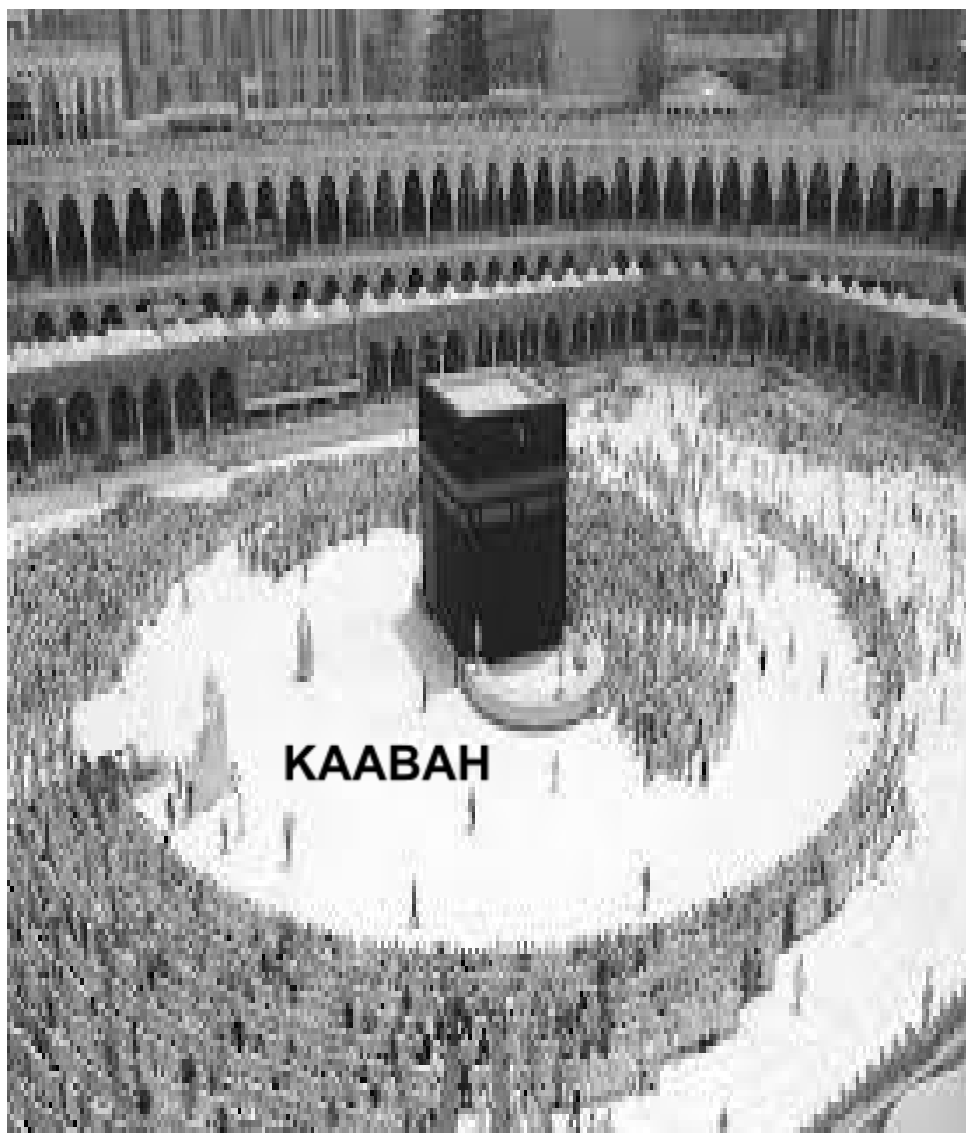

“Allah's Apostle said: “Allah welcomes two men with a smile; one of whom kills the other and both enter Heaven. Whoever fights for the Cause of Allah is killed. Later Allah forgives the murderer who is martyred (in the cause of Allah).”... Hadith, volume 4, book 52, number 80i, narrated by Abu Huraira. This is a very important question. We often wonder how they kill Muslims at each other and both sides shout "Jihad" as they kill each other. Muhammad says Allah is happy to see them BOTH killing each other. The point is not the cause: kill, kill, kill." The world has sided with Islam in its false claim to the land of Israel, which is now erroneously called Palestine. This *'Promised Land'*, given to Israel by the God of the Holy Bible, has been occupied by the Jews continuously for the last 3,000 years, and they are the only ones who have done so. In recognition of this undeniable historical fact, all of “Palestine” was to be given to the Jews as a national homeland by a 1917 ruling of the League of Nations. But the Jews were constantly betrayed by the British administration of this mandate (and the end of the British Empire can be dated from that betrayal); the land was divided between Jordan, Syria, Lebanon, etc. Israel is now accused of "occupying" land that has actually been its own for 3,000 years. The last "Palestinians" are

supported by the world in the lie that they are the original owners of this land. As a result, terrorism is perpetrated not only against Israel, but also in its acts against Israel from the United States to the entire world. exert pressure to force Israel from its rightful land and to spread Islam. Whenever it is mentioned to an "educated" Muslim that the peace teachings of Jesus are the exact opposite of the hatred and need for military conquest taught by Muhammad, the Muslim will most often mention the fact that the God of the Old Testament told the Israelites to kill the inhabitants of Canaan. It is true that the true God of the Holy Bible commanded the Israelites into violent armed conflict in the Old Testament. He did this to eliminate the morally corrupt Canaanite civilization that lived in Palestine before the Israelite occupation of the country (Deuteronomy 9:4; 18:9-12, Leviticus 18:24-25, 27-28). There was simply no viable solution to their plight other than extermination. Their moral depravity was "full" (Genesis 15:16). They had collapsed into such an immoral and depraved state, with no hope of recovery, that their existence on this Earth had to end - just like in Noah's time, when God waited while Noah preached for years but he was able to transform the world's population from his wickedness (Genesis 6:3, 5-7; 1 Peter 3:20; 2 Peter 3:5-9). (The

Revealed Quran, pages 192-193). Only Jews have the right to live in and inherit the land of Israel. God promised Abraham that his descendants (through Isaac) would inherit the "Beautiful Land", or the land of Canaan, forever (Genesis 17:8). God said to Abraham; ***“And I will give to you and to your descendants after you the land where you are a stranger, all the land of Canaan, for an everlasting possession; and I will be their God.”*** The Islamic Quran (Koran) itself declares that Israel belongs to the Jews. Yet, Muslims say and insist Jews have no right to live in the Holy Land. Yet the same Muslim "Bible", says this in the Quran; "And Musa (Moses) said to his people (Israel): O my people! Remember the favor of Allah upon you when He raised up prophets from among you and made you kings and gave you what he had not given to any other among the nations. O my people, enter the holy land that Allah has ordained for you and do not turn away, for otherwise you will return as losers" (Surah 5:20-210. It seems that Muhammad learned something from his Jewish and Christian wives...The Quran also states that the Jews are God's chosen people: "O children of Israel! bring to mind the (special) favor I have bestowed upon you, and fulfill your covenant with Me as I for example My Covenant with you, and fear no one except Me." [Quran,

Surah 2:40] “Children of Israel! Remember the (special) favor which I have bestowed upon you and that I have preferred you above all other nations (for My Message)” [Quran, Surah 2:47]. **Muhammad was not divine. He did not perform miracles, he did not make noteworthy prophecies. Muhammad was a cruel and intolerant man who died like all mortal men!** Muhammad marched with 3,000 followers against 2,000 Qurayza Jews in 627 AD, shortly after the end of the siege of Medina. The Jews were attacked and soon surrendered. Muhammad asked a wounded leader named Sa'd to decide the fate of the prisoners. His response was that the men should be put to death, the women and children sold into slavery, and the spoils divided among the Islamic army. A cry of horror ran through the assembled prisoners. Muhammad then said; “Verily, the judgment of Sa'd is the judgment of the Lord, pronounced on high, from the heights of the seventh heaven.” The Muslims dug trenches in front of the market and in the morning Muhammad ordered the 700 male prisoners to be taken out 5-6 at a time. The Jews were made to sit on top of the trenches. Subsequently, the Muslims beheaded them and threw their bodies into the trench. This disgusting massacre by the "Prophet of God" lasted all day. We continued until late at night by torchlight. The spoils were

divided by the Muslims, the female slaves were given away, the women sold and the properties auctioned off. And yes, yet another convenient revelation came down from heaven to justify the severe punishment meted out to the Jews.

(Surah 33.26): "And he brought down the Jews who helped them. And he put terror in their hearts. Some you massacred, and some you took captive." A Jewess named Zainab who lost her husband, father and brother to this planned Islamic butchery in revenge. She cooked a goat and doused it with poison. This goat meat was served to Muhammad for his evening meal. Taking his favorite piece of him (the shoulder) for himself, Muhammad subsequently distributed portions to Abu Bakr and his other friends. Mohammad spat out the first piece and shouted "Wait", "this shoulder has been poisoned". One of Muhammad's friends who had part of his meat swallowed him soon died. Muhammad himself was struck by atrocious pain. Defending herself, the Jewess Zainab said; You inflicted serious wounds on my people and killed, as you see, my husband and my father. Therefore, I said within myself, if he were a prophet he would refuse the gift, knowing that it is poisoned; but if only with a suitor we will get rid of our problems. Muhammad told his early followers that the Qiblah was physical and the direction of prayers should be towards the Kaabah. But then Muhammad emigrated to Medina and changed this direction to Jerusalem. This was to please the predominant Jewish population.

17 months later, Allah changed his mind for the third time when he commanded Muhammad to look towards Mecca and not towards Jerusalem. **Many contradictions like this are found in the Muslim Quran.**

**MUHAMMAD DIES ON
JUNE 8, 632 AD. IN MEDINA**

In the third month of the eleventh year of Hijra, Muhammad fell ill and lay in the house of his wife Ayisha in Medina. The recent death of his infant son, Ibrahim, has weighed on his spirits and the poison he had consumed in Khaibar still bothered him. Shortly after his return from Medina signs of serious illness appeared in him and his mind was somewhat disturbed by fever. During this period his faithful servant Abu Muwaihbihah recounts that during a late night attack he accompanied Muhammad to the cemetery called El-Bahia, where Muhammad asked for forgiveness from the dead who were buried there. As he died, Muhammad said; "I was sent with the shortest expressions that carry the broadest meanings, and I was made victorious by terror (thrown into the hearts of the enemy), and while I slept, the keys of the treasures of the world were brought to me and placed in my hand ". Reference: Hadith Sahih Bukhari, Volume 4, Book 52, Number 220. Shortly after noon on June 8, 632, the 62-year-old Muhammad gently stretched himself out and was no more. Later that night his followers dug his grave on the same spot where he breathed his last. They spread his red cloak at the bottom of the tomb and his body was lowered into it. The grave was built at floor level and

bricks were added. Muhammad's tomb is now near the mosque in Medina. Six mosques were located on the same site as the current one.

The so-called "Prophet of Peace" who the Koran ordered to fight 26 battles and who planned 86 expeditions against innocent people (only the Battle of the Ditch was defensive) was no longer there. He made no prophecies and performed miracles. Within a century of Muhammad's death, Muslim armies had reached as far as India in the east and Spain in the west. **They gave two choices to the people they met; either convert to Islam or die!** End Times Beheadings and Revelation 20:4: Some Christians and former Muslims see a direct correlation between Islam and the Book of Revelation of the Holy Bible regarding the "end times." Interestingly, Revelation 20:4 says that faithful believers in Jesus will be beheaded. One need only look at militant Islam today to find this correlation. Islam is the only religion

that imposes this barbaric custom of beheading. They do this everywhere today to those they call "infidels". The Quran commands in Surah 47:4: "When you meet disbelievers on the battlefield, cut off their heads..." For fundamentalist Muslims, the entire world, including your own home, is their "battlefield." . It's all a war of spiritual forces. Today the god Allah opposes the God of Israel everywhere in the world. Ultimately Allah will be defeated. And so will the millions of senseless followers he controls. Muslim prophecy speaks of the advent of the Great Caliphate, the Third Jihad, and the return of the Twelfth Imam (Mahdi), who is supposed to emerge from a well (yes, a hole in the ground). According to the Shiites, the twelfth imam disappeared as a child in the year 941 AD. This imam should subjugate the world to Islam. Iranian President Ahmadinejad has openly stated that he believes he will have a personal role in ushering in the Mahdi era. In a speech given in Tehran on November 16, 2005, he said that his main mission in his life is to "pave the way for the glorious reappearance of Imam Mahdi, may Allah hasten his reappearance." After speaking at the United Nations in September 2005, Ahmadinejad told Ayatollah Javadi-Amoli in Tehran, in a videotaped discussion, about a strange paranormal experience he had had while he was speaking.

Ahmadinejad said he found himself bathed in light throughout the speech. But this was not the light shined on the podium by the UN and the cameras. It was, he said, a light from heaven. This twelfth Imam, called Muhammed al-Mahdi, is expected to return to earth, presumably reuniting the Sunni and Shia factions of Islam with his presence. The prophesied end-time destruction of Israel is supposed to have its origins in the modern Khorasan, located in the north-east of Iran. For a Christian, a world dominated by fanatical Muslims with a charismatic leader who attempts the destruction of Israel and forces everyone to bow before this cruel, intolerant, demanding and mean-spirited Allah, sounds very similar to the predicted anti-Christ who will behead those who do not they bow to his world religion. Most educated Christians are finally being convinced that the next Antichrist will not be the Catholic Pope that many have falsely vilified for years. All signs point to a charismatic Muslim. Many Christians are looking for a charismatic Muslim leader like al-Mahdi, who together with a false Jesus (who denies Christian truths just like Islam does) will begin to subjugate the world to Islam with great miracles, uniting Muslim fanatics and blackmail countries with Middle Eastern oil and nuclear weapons. These two will confuse and mislead many Christians, even

the “very elect.” The key to this identity of the Antichrist in the Christian Scriptures is found in the New Testament Book of 1 John 2:22. He is spoken of more in both Daniel and Revelation. It is no coincidence that of all the religions of the world, only Islam has a "sacred" book that attacks the divinity of Jesus, lies about the fact that God has no Son and lies about the Trinity (falsely saying that Christians believe it as : Father, Son and Mary).

- **According to the Old Testament book of Daniel 11:37, this Antichrist will also have no “desire for women,” just like Islam today!**
- **Women in Islam are second rate. Most live lives of misery and restrictions that Western women would not be able to understand!**
- **A woman's testimony is worth only half that of a man in Islamic courts, women have to pray behind the man in a mosque and their right to divorce is almost non-existent!**

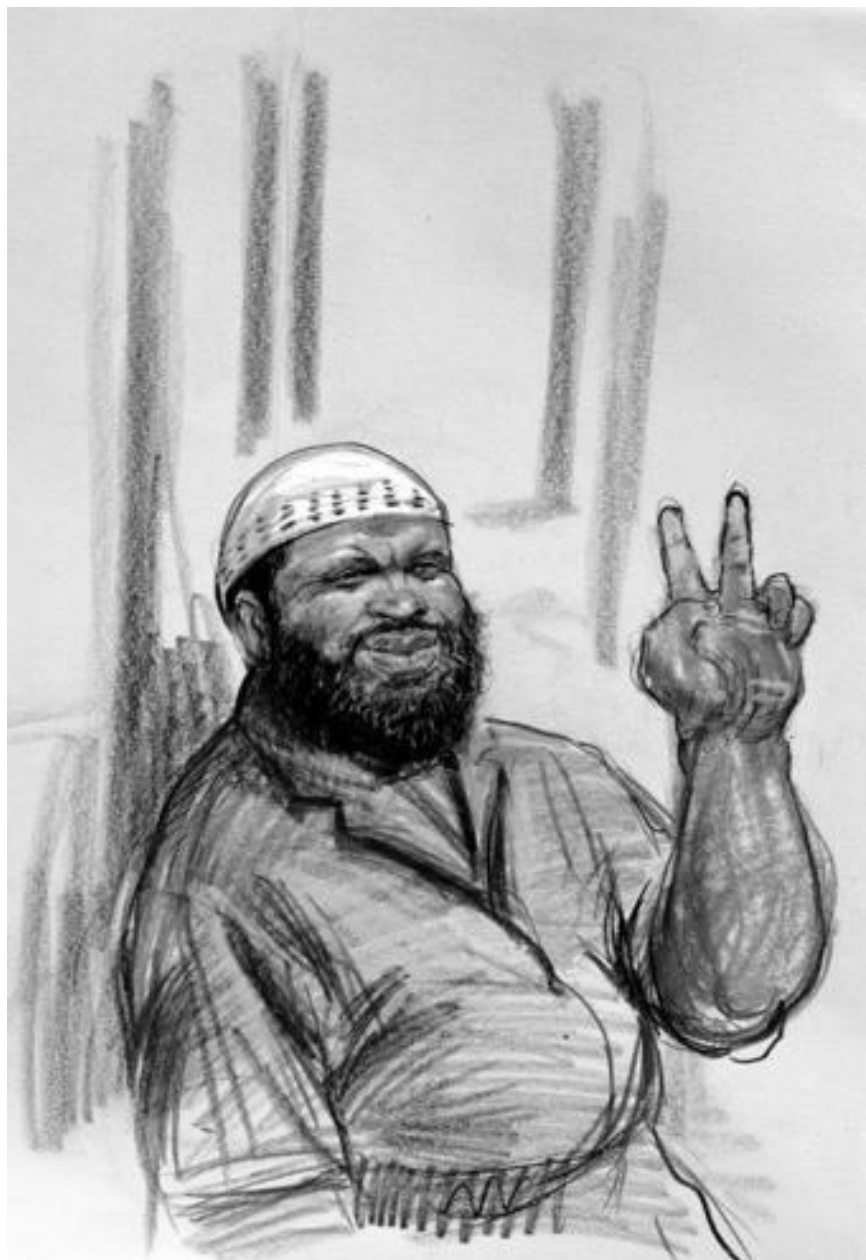

Muslim women can be divorced and left on the streets just because of a husband who says; "I divorce you" three times. The Muslim propensity to behead infidels is also another Scripture indicator (Revelation 20:4) that the next Antichrist will be a Muslim.

"He concerns neither the God of his fathers, nor the desire of women, nor will he concern any god, for he will mean himself above all things." (Daniel 11:37)

Why are Muslims allowed to found mosques and Islamic centers in the Western world, when the same privilege is not granted to Christians in many Muslim countries? For example, there is not a single church in Saudi Arabia! Christians gather in embassies, associated cultural centers or military bases. In contrast, there are 3,500 mosques in the United States, and they are growing at a rate of 4-5 per week! On April 13, 2006, Al Qaeda plotter Zacarias Moussaoui stated in court during his trial that it would be nice to hear accounts of Americans' suffering as a result of the terrorist attacks on September 11, 2001. Moussaoui told jurors that Islam requires Muslims to be the world's superpower.

"You must be submissive. We must be above you!"

"You must be submissive. We must be above you!"

Islamic lying is simply another accepted strategy for promoting Islam:

At several points in his afternoon testimony, Moussaoui acknowledged that he had lied when it served his interests over the course of his four-year case. September 18, 2006 - In contrast to the Catholic Pope's statement in Germany, Al-Qaeda: released a statement stating; "The jihad will continue until Islam conquers the world." On September 18, 2006, the Mujahideen Shura Council, an umbrella organization of Sunni Arab extremist groups, which also includes Al-Qaeda in Iraq, released a statement in a web forum about the Pope's remarks on Islam. "You infidels and despotics, we will continue our jihad (holy war) and will never stop until God helps us cut our necks and raise the waving flag of monotheism when God's government will be established ruling all peoples and nations ", the statement read. The group claimed that Muslims will be victorious and addressed the Pope as "the worshiper of the cross" saying that "you and the West are doomed, as you can see".....by defeat in Iraq, Afghanistan, Chechnya and elsewhere... *We will break the cross, spill the liquor and impose taxes per capita, so the only acceptable thing will be a conversion (to Islam) or (killed by) the sword!"* Islam prohibits drinking alcohol and requires non-Muslims to pay a head tax to safeguard their lives if

conquered by Muslims. They are exempt if they convert to Islam. To further demonstrate how irrational Islam and its adherents truly are, the Islamic Republic of Iran quickly followed up on Al-Qaeda's threat with a statement saying that "anyone who calls Islam intolerant brings upon himself violence". This statement by Iran is so irrational that it seems like something from a comedy show. "Don't call me violent or I'll kill you." From the Al Qaeda military manual titled; "Jihad Declaration " found in a member's home in Manchester, England: "Islamic governments have never been and will never be established through peaceful solutions and cooperative councils. They are established as they have always been: with pen and gun, with words and bullets, with tongue and teeth."

**THE LORD JESUS CHRIST IS THE
ONLY TRUE GOD, THE GOD WHO SAVES!**

The Lord Jesus Christ was foretold in the Garden of Eden, foretold in the Psalms around 1000 BC. and many many more times through the prophets from 400 to 700 BC. Jesus Christ of Nazareth - the True Messiah - The King of the Jews - King of the entire Universe was born without sin, lived a sinless life and is pure in spirit. Jesus did not preach any hatred and performed many miracles including raising people from the dead, such as Lazarus after 4 days. Jesus the Christ gave us many prophecies. There were over 300 prophecies about the coming of the Messiah, written up to 1000 years before the birth of Jesus in Bethlehem. Of these 300 prophecies, 109 only Jesus of Nazareth could have come true. Ironically, with the number 109 we have another hint/divine warning message given about Islam. **In the Muslim Quran there are exactly 109 references to**

war. COINCIDENCE? A sacrifice was necessary for us:

Jesus died as a sacrificial lamb for our sins on the cross in Jerusalem. He rose from the dead and ascended into Heaven in front of many people. All those who have faith in Him and believe are born again of God and are saved. No one can truly come to Him without the Holy Spirit. But the grace of the Holy Spirit and Lord Jesus Christ is given

equally to Christians, Jews, Muslims and Hindus. But they have to really ask. It doesn't happen without Faith. Islam offers no path to salvation. A Muslim can never be sure that his good deeds sufficiently outweigh his bad deeds for eternal life. Jesus Christ the True Messiah promises that those who believe that He is the Son of God who took away our sins will live forever.

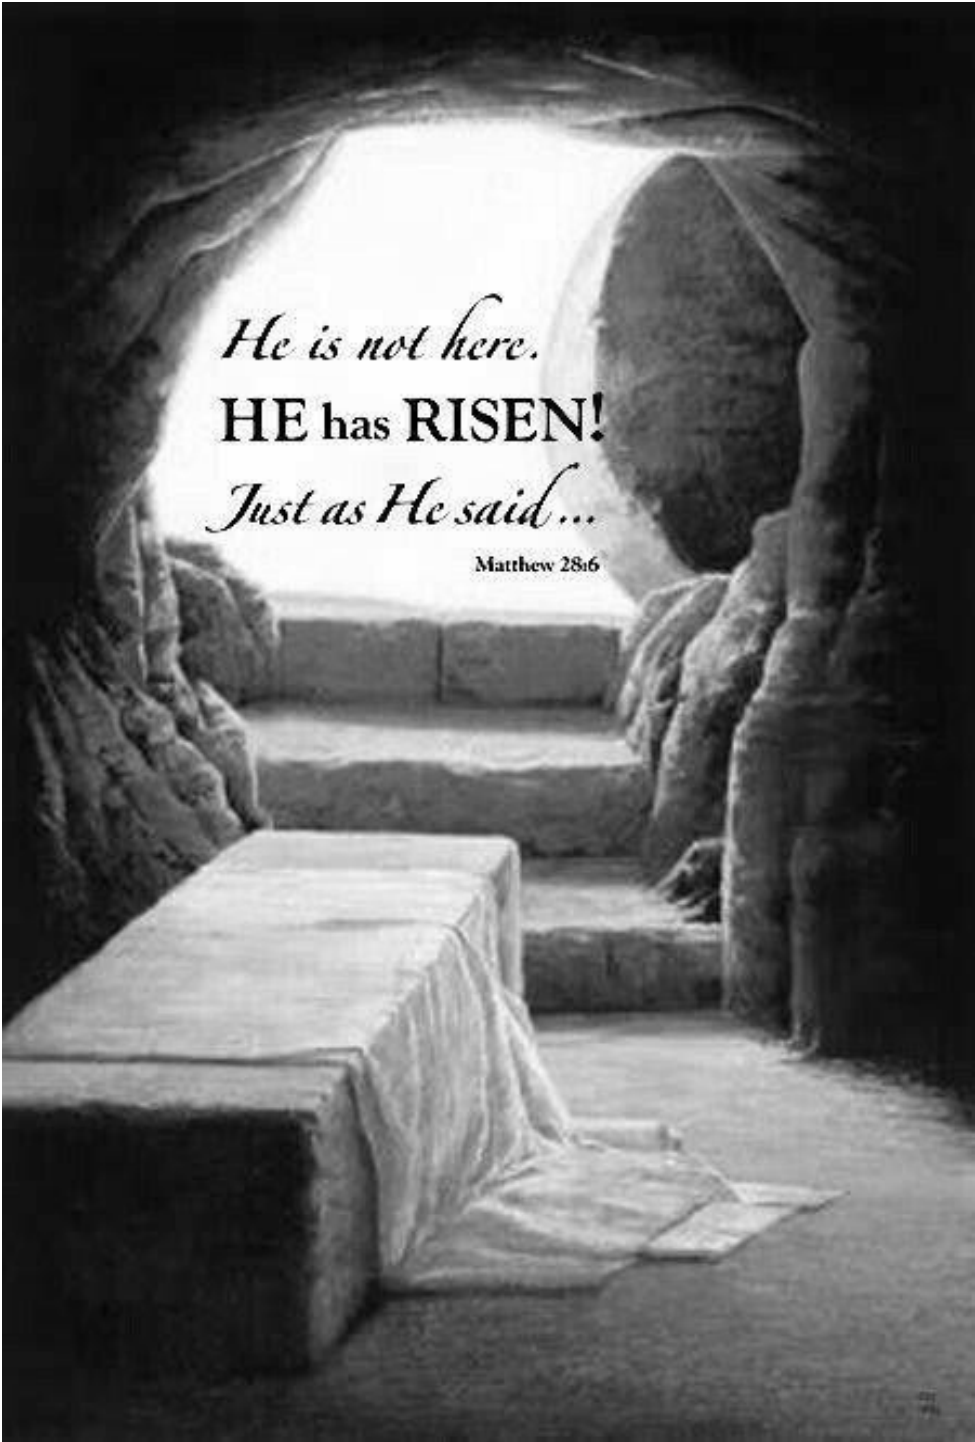

- **Jesus was totally human and totally God.**
- **(One with the Father).**
- **The birth of Jesus was predicted by the prophet Micah, 800 years before his birth.**

Flavius Josephus (born Jerusalem in AD 37), a first-century Jewish general, traitor, and excellent historian, wrote the following about Jesus in his Antiquities (18:63), while writing for the Romans: In this period lived Jesus, a man wise if indeed we should call Him a man. Because He was one who accomplished amazing feats and was a teacher of people who willingly accepted the truth. He conquered many Jews and many Greeks. He was the Messiah. When Pilate, hearing him accused by men of the highest rank among us, condemned Him at the crucifixion, those who had first loved Him did not cease.

**On the Third Day He appeared to them
resurrected!**

For God's prophets had prophesied these and myriads of other wonderful things about Him. And the tribe of Christians, so called by Him, has not disappeared to this day. This passage above is known as the Testimonium Flavianum. The "Testimonium" is found in every extant copy of Jesusphus. Additionally, a pagan historian named Thallus, who lived shortly after the resurrection of Christ (around 52 AD) wrote of a miraculous darkness that covered the earth during Easter of 32 AD. and tried to explain it as an eclipse of the sun. Islam is the only religion that says Jesus of Nazareth did not die on the cross. Islam denies this historical fact about Jesus Christ which therefore denies the salvation given to us by the painful death of the Son of God and the miraculous resurrection from the dead. Even the Jewish Sanhedrin (Religious High Court) in Jerusalem admits that Jesus of Nazareth died there. In addition to the writers of the 4 Gospels and Josephus, the first-century Jewish historian (See Antiquities 18-63) -- the Jewish Babylonian Talmud (Sanhedrin 43a) of the Tannaitic period records: "On the eve of the Passover Yeshu [the Nazarene] was hanged." That means on a wooden cross, not a stake, with the written words INRI above Him, which means: **“JESUS OF NAZARETH, KING OF THE JEWS!”**

He is not here.
HE has RISEN!
Just as He said...

Matthew 28:6

Words of Jesus Himself:

(1 John 2:22-23) *"Who is a liar but he who denies that Jesus is the Christ? He is the antichrist, he who denies the Father and the Son. He who denies the Son does not possess the Father: (but) whoever recognizes the Son also has the Father".*

(1 John 5:12) *"He that hath the Son hath life: and he that hath not the Son of God hath no life."*

(Matthew 7:15) *"Beware of false prophets, who come to you in sheep's clothing, but inwardly they are devastating wolves."*

(Matthew 24:24) *False messiahs and false prophets will arise and will perform great signs and wonders to avoid, if possible, even the elect.*

In the Holy Bible Christians have been told to be on guard and that the Antichrist will not only be a man who will appear shortly before the return of the Lord Jesus Christ , but also a movement (Islam) that

denies that Jesus of Nazareth is the Son of God. Islam is adamant in its denial of the divinity of Jesus the Christ.

My prayer is that THE LORD JESUS CHRIST, by HIS precious HOLY SPIRIT open the hearts and minds of every Muslim here on planet earth to know that HE is the true and LIVING GOD, AMEN!!!

Fanatical Islam, the Evil Religion of Hatred and Lies

© 2024 Daniele Luciano Moskal

Islam is the evil religion of anger and hatred. It is an anti-freedom system, which seeks to ultimately control the entire world. Furthermore, only a demon or fallen angel would exist for his followers to wage endless war against pagan unbelievers, as this impersonal "god" Allah does! One in fifty-five verses of the Quran incites Muslims to wage war on non-Muslims, especially peace-loving Christians or Jews. The Quran is truly a satanic blueprint for the evil art of deception, double dealing, double dealing and betrayal! In fact, did you also know that the word "LOVE" is conspicuously missing from the Muslim Quran; I wonder why when Muslims boast, brag and claim before the whole world that they are a religion of peace? Islam is in stark contrast to Christianity in all its major dogmas!
